Purpose	To amend DAF2013-228 to reflect what was in the Temporary Easement Agreement dated November 1 st , 2013 between Enwave Energy Corporation ("Enwave") and City of Toronto										
Property	The City-owned lands which are the subject of this Delegated Authority report are located at the south end of Van de Water Crescent, west of the John Street Pumping Station ("JSPS") building and north of Lake Shore Blvd West and are herein referred to as the "Easement Lands". Schedule "A" is a map showing the general location of the Easement Lands.										
Actions	1. Amend DAF2013-228 to correctly reflect the consideration payable by Enwave to the City under the Temporary Easement Agreement dated November 1 st , 2013 between Enwave and City of Toronto, as more particularly described in the Financial Impact section of this report.										
Financial Impact	DAF2013-228 reported that the anticipated revenue to be received by the City under the Temporary Easement Agreement would be \$35,000 per year, exclusive of HST. The actual amount of the revenue is \$38,500, exclusive of HST for the full three (3) year term. The Deputy City Manager & Chief Financial Officer has reviewed this DAF and agrees with the financial impact information.										
Comments	Under the authority of DAF2013-228, the City entered into the Temporary Easement Agreement pursuant to which the City granted a temporary easement to enable the construction of a temporary shaft and tunnel on the Easement Lands. The shaft and tunnel are intended to provide Enwave with a service access port for underground transport of pipes required at the site of Enwave's new heating/cooling pipeline system. By creating this access, Enwave will be able to install the new pipeline without excavating surface lands, thereby avoiding the need to disrupt automobile traffic on Lake Shore Boulevard and Harbour Street. The Temporary Easement Agreement provides Enwave with a temporary easement for a term of three years. As part of that approval process it was incorrectly reported in DAF2013-228 that the fee payable by Enwave for the temporary easement would be \$35,000 plus HST per year for the three year term. The actual fee is \$38,500 plus HST for the three year term.
