Date Prepared:	August 22 nd , 2016	Phone No.:	21167			
Purpose	To obtain authority to enter into a licence agreement (the "Licence Agreement") with Jean Eldeen Parney and Robert George Parney (the "Licensors") at 2 Ridge Drive Park (the "Property"), to provide access to and from the adjoining City-owned lands, being part of Mount Pleasant Avenue, and to park a drill rig truck, to enable the City to carry out geotechnical investigations on the adjoining City-owned lands (collectively, the "Permitted Use").					
Property	The Property is legally described as part of Lot 79, Plan 633E Toronto as in CA589227, City of Toronto and is municipally known as 2 Ridge Drive Park. (See "Appendix A" Location Map)					
Actions	1. Authority be granted for the City to enter into a Licence Agreement with the Licensors with respect to the driveway area and the west side yard area of the Property (the "Licensed Area"), substantially on the terms set out on page 4, and such other or amended terms deemed appropriate by the Chief Corporate Officer, and in a form satisfactory to the City Solicitor.					
	2. The Chief Corporate Officer or designate shall administer and manage the Licence Agreement, including the provision of any consents, approvals, waivers, notices and notices of termination provided that the Chief Corporate Officer may, at any time, refer consideration of such matters to City Council for its determination and direction.					
	3. The appropriate City Officials shall be authorized and directed to take the necessary action to give effect thereto.					
Financial Impact	he following expenses will be incurred by the City in connection with the Licence Agreement:					
	1. The City will be obligated to pay a nominal licence fee in the amount of \$2.00 for the entire term.					
	Funding for the above nominal expenditure is available in the 2016 Operating Budget for Engineering & Construction Services under cost centre WT0001.					
	The Deputy City Manager & Chief Financial Officer has reviewed this DAF and agrees with the financial impact information.					
Comments	The City and its consultants are planning to undertake geotechnical and survey investigations on a portion of Mount Pleasant Avenue adjoining the Property. The City is investigating repairing a portion of a retaining wall that is attached to the rear of the Property and fronts onto Mount Pleasant Avenue. These investigations will determine if the soil and existing retaining wall have adequate strength to support the proposed retaining wall reconstruction. The City and its consultants need to gain access to the City land from the Licensed Area of the Property and need to park a drill rig truck on the Licensed Area of the Property, to complete a 9 m borehole on the City land for slope stability analysis and to perform a manual hammer spoon sample to a shallow depth of 1.5 m on the City land.
