Comments	On August 25, 26 and 27, 2010 Item GM33.6, City Council authorized a master licence agreement between the City (as Licensee) and Ontario Realty Corporation (now Ontario Infrastructure and Lands Corporation) acting as agent on behalf of Her Majesty the Queen in right of Ontario as represented by the Minister of Infrastructure (as "Licensor"), which agreement was fully executed on October 26, 2010 (the "Master Licence Agreement"). The Master Licence Agreement was subsequently amended by way of a letter agreement dated April 14, 2011 (authorized by DAF No. 2011-224) to include the Property in the lands licensed to the City by the Licensor. The Master Licence agreement permits the City to use certain pieces of the Licensor's lands (which Hydro has a statutory right to use for electricity transmission and distribution purposes, necessitating the Agreement with Hydro for this project) for recreational purposes, subject to certain conditions. The current term of the Master Licence Agreement has expired, and the City is currently in overholding with the Licensor's consent. Staff are currently working with the Licensor to enter into a renewal of the Master Licence Agreement. Parks, Forestry & Recreation would like to proceed with the construction of the project. The project consists of installing a new chain-link fence, maintenance gate, farm fencing around existing trees as set out in Schedule "B".
