Date Prepared:	January 26, 2017	Phone No.:	416-392-8159							
Purpose	To obtain authority to release a Caution and acquire a permanent easement on a portion of 240 Ellis Avenue (the "Property") to protect the City's interest which consists of an existing municipal storm sewer.									
Property			Plan M438, Township of York and designated as Part 1 asement Land"), a copy of which is attached as							
Actions	<ol> <li>Authority be granted to acquire a permanent easement from the owner of 240 Ellis Ave (the "Owner") on, under and through the Easement Land, on the terms and conditions set out below, and on such other or a terms and conditions as may be satisfactory to the Chief Corporate Officer, and in a form acceptable to the Solicitor.</li> </ol>									
	2. Authority be granted to delete the Caution currently on title to the Property after the permanent easement is registered on title.									
	<ol> <li>The City Solicitor be authorized to complete the transactions on behalf of the City, including payment of any necessary expenses and amending and waiving terms and conditions, on such terms as the City Solicitor considers reasonable.</li> </ol>									
Financial Impact	The cost associated with the permanent easement agreement is for nominal consideration. The Owner has agreed to cover all expenses related to this transaction including preparing the reference plan, their legal expenses, registration costs and land transfer taxes.									
	The Deputy City Manager & Chief Financial Officer has reviewed this DAF and agrees with the financial information.									
Comments	The City of Toronto was contacted by the Owner in regards to a Caution registered on title to the Property by the City of Toronto in respect to an easement for a storm sewer (Instrument No. 432428). As a result of this Caution, the Land Registry Office has placed a 'no dealings' indicator on title and every time the Property is sold or mortgaged, the property owner must obtain the City's consent to such transfer or mortgage. This leads to issues for the owner with potential purchasers of the Property as well as banks that are involved.									
	The Owner has requested deleting the Caution in favor of a permanent easement. Toronto Water is in agreement with moving forward with a permanent easement over the same lands described within the Caution. Once the permanent easement is registered on title, the Caution will be deleted. The Owner has agreed to cover all costs related to this transaction.
