## **Practice Direction Video Evidence**

**Direction:**

On the approval of the presiding Member, video material may be presented at a TLAB hearing, subject to relevance. The video material may be accepted as evidence at the discretion of the Member and may be marked as an exhibit. Due to current technical constraints, such exhibits cannot be made available to the public on the Application Information Centre website. Access to a copy may be made available upon appointment to the TLAB office.

Persons tendering video material who do not bring their own equipment are responsible to ensure that the video material is stored and retrievable in standard media file format.

Approved by the Toronto Local Appeal Body this \_\_ day of \_\_\_\_, 2017.
