The Application proposes to add the Premises to Official Plan Site and Area Specific Policy #265 to exempt Official Plan Policy 4.3.8, which prohibits the disposal of City-owned land in areas designated as Parks and Open Space (of which the Premises are considered). The Official Plan Amendment is required in order to extend the agreement which would exceed 21 years if granted. The Applicant does not intend to alter the power generating facility in any manner.  The Manager of Management Services with Parks and Forestry has been contacted and has no issue with the request.
