The lands to be consolidated include the Highway, Grand Avenue Park, the former Mimico incinerator site and the former Mimico sewage treatment plant site. The consolidated lands are to be used for parks purposes. At its meeting held on May 28, 2012, the Property Management Committee approved the transfer of operational management of the former incinerator site and the Highway, following its closure, to PF&R. Operational management of the former sewage treatment plant site was transferred to PF&R in 2011. Transportation Services completed a circulation to the various utility companies and advises that there are no existing utilities in the Highway for which easements are required. The General Manager of Transportation Services has confirmed that it is feasible to permanently close the Highway.
