The City of Toronto aims to deliver exceptional, equitable, and accessible customer service. If customers are dissatisfied with the service they receive, the City wants to make it easy for them to make a complaint. Once a complaint has been made, customers should know what to expect. The purpose of this Complaints Tracking Form is to allow you (the complainant) to file your complaint and receive a tracking number for your reference.

Please note:

- Anonymous complaints cannot be accepted nor investigated
- Alternative procedures are available to employees to initiate complaints within the organization

The complainant may fill out pages 1 and 2, with help from City staff as necessary. City staff should fill out the rest of the form (pages 3, 4, and 5).
