Purpose	To seek approval to amend Delegated Approval Form 2015-087, to include authority to enter into a renewal of that License and expand its area to include a "laydown" area for construction purposes. This work will be needed to construct a new permanent bike path through the described Hydro Corridor Lands.
Property	Approximately 0.84 Acres of land located west of Weston Road and south of Finch Avenue West, identified on the attached Sketch and legally described as part of Lots 18 and 19, Concession 6 West of Yonge Street, Township of York, City of Toronto
Actions	It is recommended that: 1. Authority be granted to enter into a licence renewal agreement ("Licence") with Her Majesty the Queen in Right of the Province of Ontario as represented by The Minister of Infrastructure to access approximately 0.84 Acres of land located west of Weston Road and south of Finch Avenue West, as shown on the attached Schedule "A" substantially on the terms outlined below. 2. The City Solicitor be authorized to complete these transactions on behalf of the City including making payment of any necessary expenses, and amending the closing date and other dates to such earlier or later date(s) and on such terms and conditions as she may from time to time consider reasonable. 3. The appropriate City Officials be authorized and directed to take the necessary action to give effect thereto.
Financial Impact	The total cost of the Licence is approximately \$50,000 (plus HST) or \$50,880 (net of HST recoveries). Funding is available in the 2017 Council Approved Capital Budget for Toronto Water under the Wastewater Capital Works Program, capital account CWW401-2. The Deputy City Manager & Chief Financial Officer has reviewed this DAF and agrees with the financial impact information.
Comments	The construction of a storm water treatment plan, consisting of three ponds near the convergence of Emery Creek and the Humber River has been completed. Initially a licence was required from Hydro One Networks Inc. to allow for an access-way from Weston Road to the City lands on which the ponds were to be constructed. It has been agreed with Hydro One Networks Inc. that the access-way can now be paved and will become part of a public trail which will link to other trails through the Hydro Corridor lands. As a portion of Hydro corridor lands is required for a lay-down area for equipment, the current Licence must not only be renewed but must be amended to include the lay-down area.
Terms	Licensor: Her Majesty the Queen in right of Ontario as represented by the Minister of Infrastructure Licensee: City of Toronto Fee: \$50,000 HST Conditions: (i) City to accept the Property in an "as is where is" condition; (iii) City to assume all liability and obligation for any loss that would not have happened but for the Licence and shall release and indemnify the Licensor and Hydro One Networks Inc. from all claims and demands for any such loss, damage or injury. (v) City to arrange and maintain liability insurance in the amount of \$5 Million and name the Licensor, Ontario Infrastructure Land Corporation, and Hydro One Networks Inc as additional insured with a cross liability clause.

- (i) Authority to initiate the permanent road closure process in **A.4** is conditional upon confirmation by the GM of Transportation Services that it is feasible to permanently close the highway.
