

The City of Toronto holds public consultations as one way to engage residents in the life of their city.
We invite you to get involved.

Celestica Lands Development Application and Don Mills Crossing Study

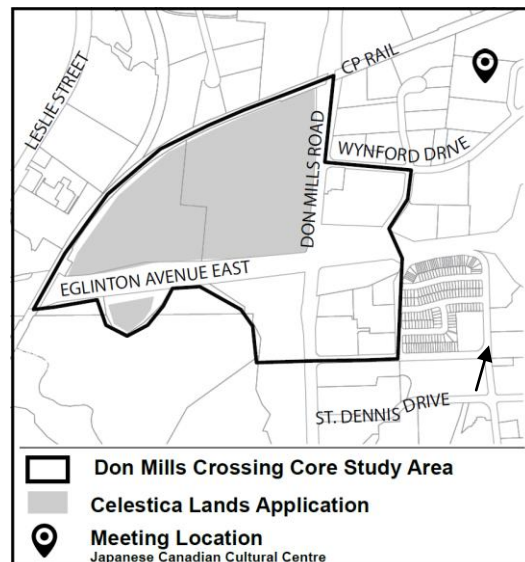

Community Meeting, Open House & Breakout Discussions

Join us on Wednesday, September 27th for an update on the Celestica lands development application and the Don Mills Crossing Study. There will be breakout discussions on subject matters relating to the application including: Transportation; Livability; Built Form and Public Realm. This is a key city building moment for Don Mills Road and Eglinton Avenue East and we want to hear from you!

The City is reviewing a development application for the Celestica lands at 844 Don Mills Road, 1150 and 1155 Eglinton Avenue East within the Core Study Area for Don Mills Crossing. The development application proposes the re-development of the 60 acre (24 hectare) site at the northwest quadrant of Eglinton Avenue East and Don Mills Road into a new mixed-use community of residential, office, commercial, retail and recreational uses along with new public streets and parks. You can learn more about the proposal by viewing a copy of the preliminary report on the initial October 2016 submission at:

<http://app.toronto.ca/tmmis/viewAgendaItemHistory.do?item=2017.PG17.8> or by visiting the City's Application Information Centre website at:
