- $100,000 and over: 17%

**Percent of Population in Low-Income (LIM-AT)**: 19.9%

Note on Comparability:

This profile does not compare 2011 NHS results with those from earlier Census releases. This is because NHS data was collected differently than data from the 2006 Census and prior Censuses. Until a full evaluation of the methodological changes is conducted, such comparisons are not appropriate.
