# The Toronto Seniors Strategy

## Mapping the Ethnicity of Toronto's Elders

Presentation to Toronto Council on Aging's Age Friendly Toronto Forum

Saturday, March 19, 2016, Oakham Hall, Ryerson University

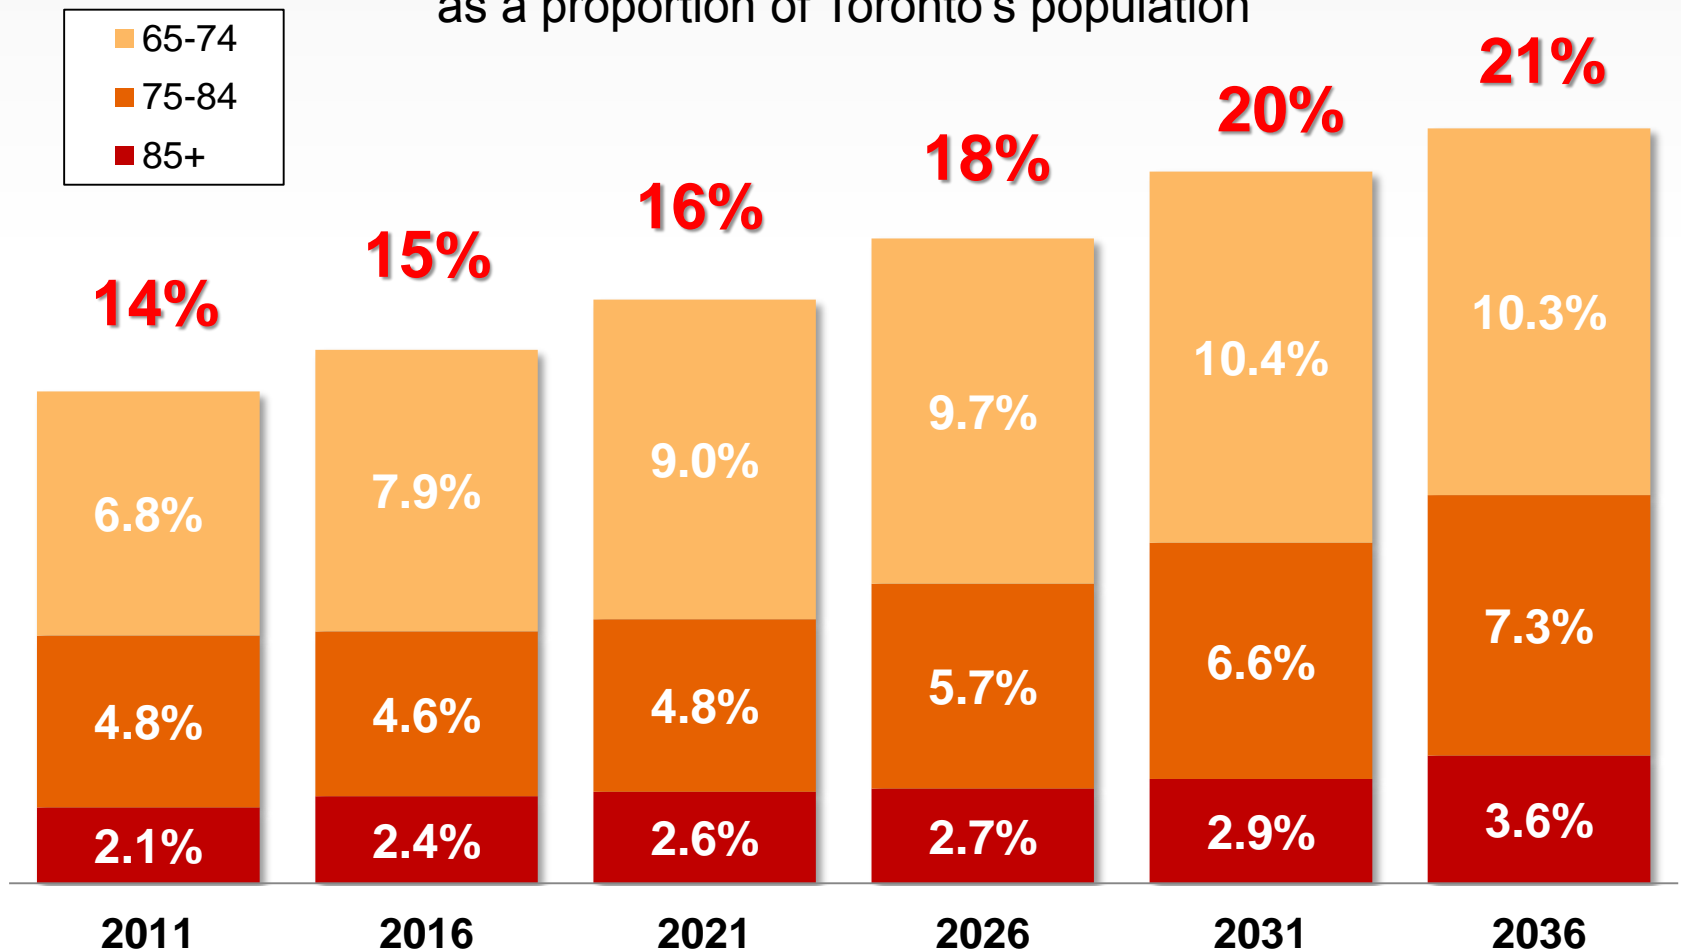

# How many seniors in Toronto?

# Projected population growth

Seniors are projected to continue to increase as a proportion of Toronto's population

## National Household Survey, 2011

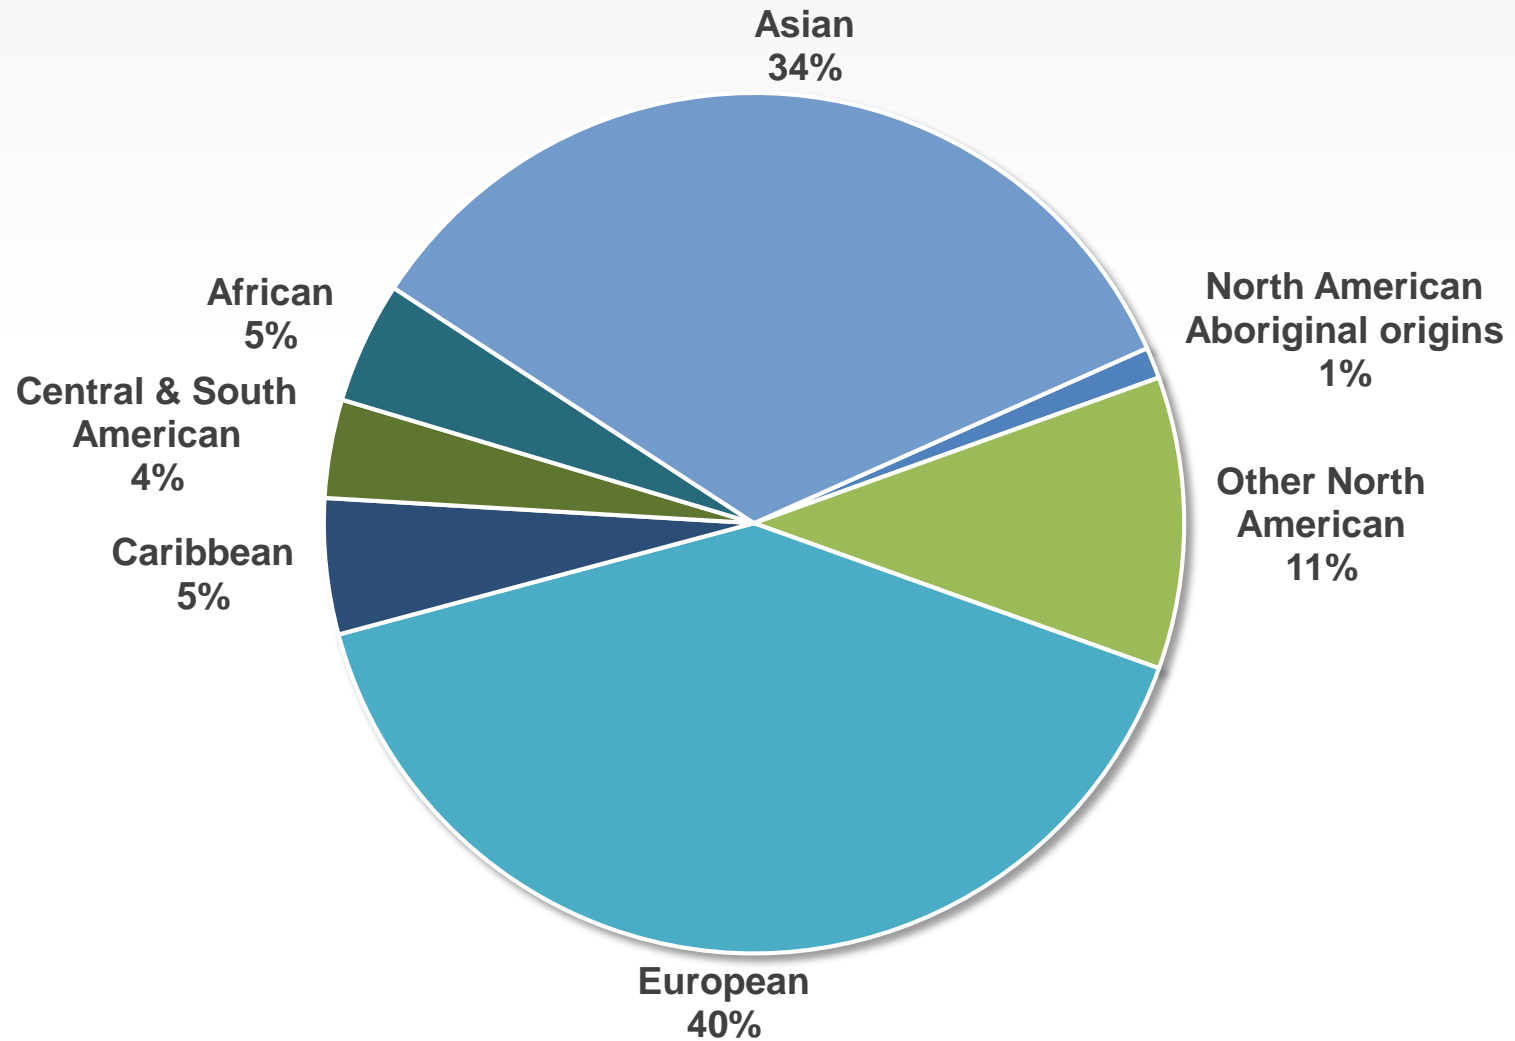

### Question 17:

- What were the ethnic or cultural origins of this person's **ancestors**? An ancestor is usually more distant than a grandparent.

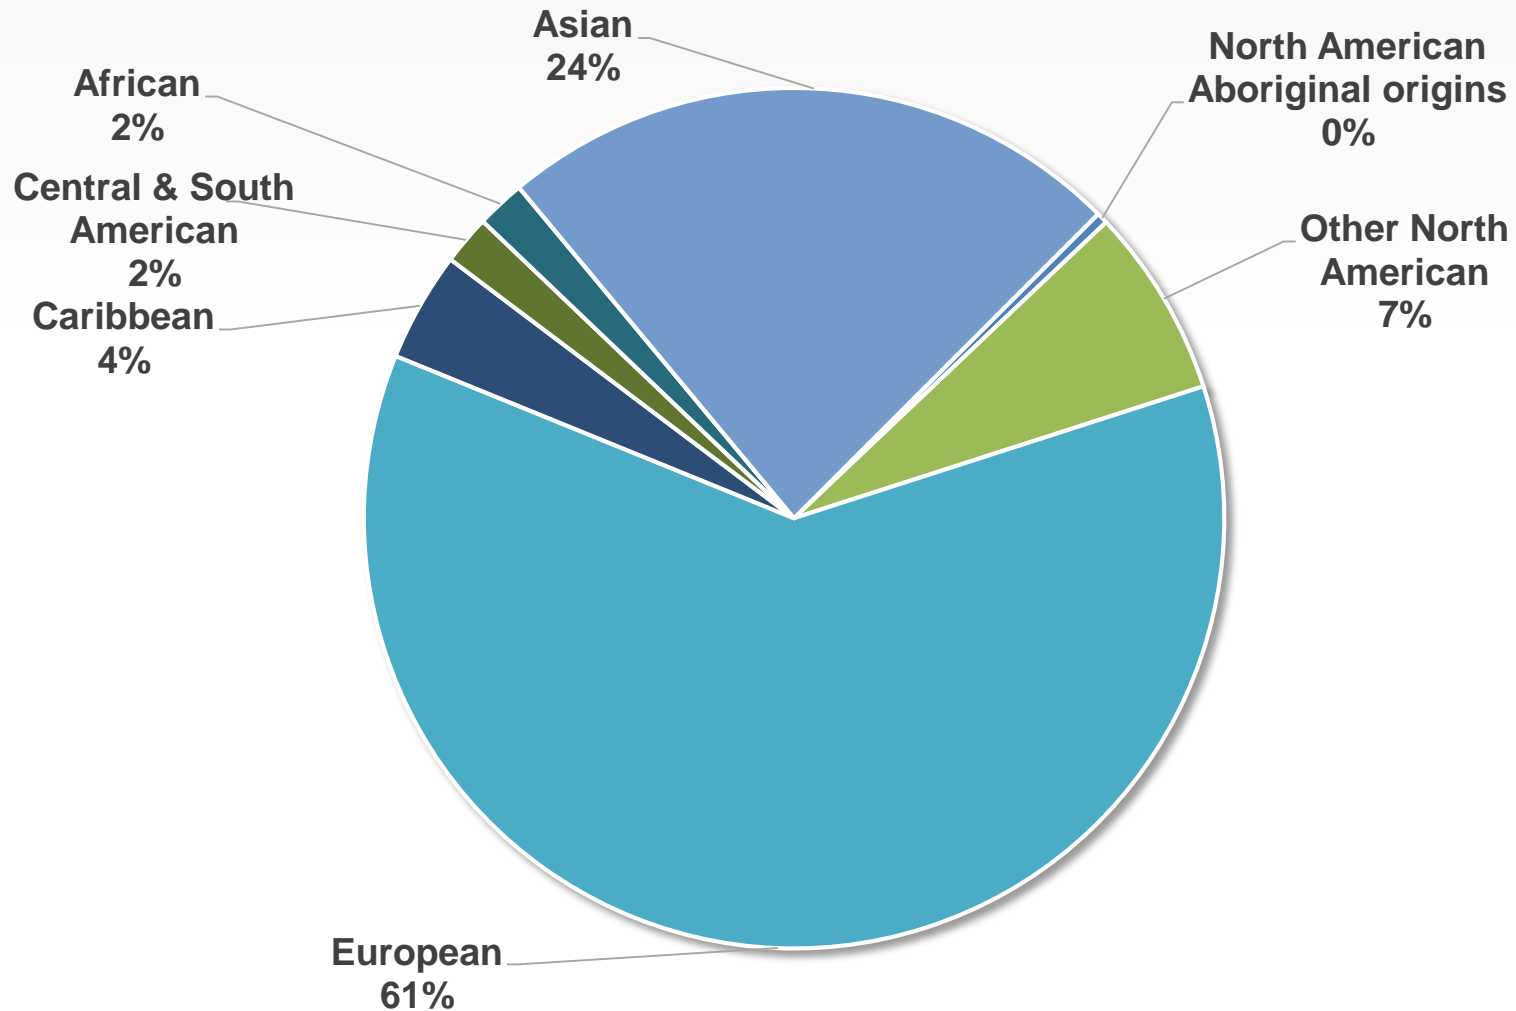

Note: This data includes only people living in private households. People living in collective dwellings (e.g. long term care homes, seniors' residences, rooming houses, etc...) are not included in these counts.
