

## Scarborough Centre on the Move study is underway

Over the next 20-30 years, Scarborough Centre is expected to change significantly through development and public sector investments. The Scarborough Centre on the Move study will guide these changes and establish a transportation network supportive of all users, focusing on building connections within the Centre as well as to the surrounding area and the rest of the city. The study will support the vision and evolution of Scarborough Centre into a walkable and connected urban centre, with an efficient, safe, and balanced transportation network.

The Scarborough Centre on the Move study is a Transportation Master Plan that will be conducted to satisfy the requirements of Phases 1 and 2 of the Municipal Class Environmental Assessment (Class EA) process in accordance with the Environmental Assessment Act. This Class EA process provides for public input at key stages and involves the identification of the problem/opportunity, developing and evaluating a reasonable range of alternative solutions, and selecting a preferred alternative solution.

### Study Area

### For more information:

**We welcome your insights and comments throughout the study.**

There will be a series of public consultation sessions throughout the study. **The first public consultation meeting is planned for December 2016.** The team will also be in Scarborough Centre over the next few months at public events to get people's ideas on opportunities for change.

*Send us your comments and keep up to date on the Study:*

### Study Process

#### Study Initiation

The study began in July 2016.

#### Review Existing Conditions

The existing networks in the Centre will be reviewed and assessed to help identify issues and opportunities.

#### Identify Alternatives

Alternatives will be developed to address the issues and benefits from opportunities to transform Scarborough Centre's transportation network.

#### Evaluate Alternatives

The alternatives will be evaluated based on a range of criteria to determine the preferred option, with input from the public.

#### Draft Preferred Solution

Once the preferred option is selected, it will be designed conceptually along with a report on the study's findings.

#### Study Completion

The study is targeting a completion of Fall 2017.

1. How do you travel through Scarborough Centre?

2. What are the biggest opportunities for change?

1.

2.

## Lots of ways to get involved and stay informed

Email your comments to **[sconthemove@toronto.ca](mailto:sconthemove@toronto.ca)**

Share your thoughts with a planner at our information booth in Scarborough Centre over the next two months

Attend our community meeting in December (watch the website for date and location)

Follow us on Twitter **@CityPlanTO** and share your thoughts using **#sconthemove**
