## **Draft Guiding Principles**

1. What do you like about the Draft Guiding Principles?

2. Is anything missing from the Guiding Principles that you think should be added?

### Street Types for Toronto

3. Think of a street that matters to you: it could be a street where you live, where you shop, where you go out, where you work, or one you use to get around. What would you call that type of street? What is its role as a link and as a place?

	Street Name	Type of Street	What is the street's place role?	What is the street's link role?
<b>EXAMPLE</b>	St. George	"Campus Main Street"	<ul style="list-style-type: none"> <li>- It's a place to hang out</li> <li>- It's a place to meet people</li> <li>- It's a place to sit in the sun and eat food</li> </ul>	<ul style="list-style-type: none"> <li>- Helps people on foot and on bikes get through campus</li> <li>- Helps people on bikes and in cars go N/S through the city</li> </ul>
<b>Write your own</b>				

## Street Types for Toronto (Continued)

Street Name	Type of Street	What is the street's place role?	What is the street's link role?

Do you have any other feedback about Toronto's Complete Streets Guidelines that you'd like to share with the project team?
