
Facility Management Program Screen

Updated on July 2017

[Home](#) > [Facility Management](#) > [Program](#)

Business Purpose:

The **Facility Management – Program** page displays a list of all the Programs that takes place at a particular Facility. This includes the Program Name, Program Type and number of Clients in Queue.

How to:

1. From the **Facility Management** screen, click the name of the Facility you want to view will take you to the **Facility Details** page. Then click on the [Program](#) option in the left navigator.
2. Click on a [Program Name](#) to go to the **Program Management – General** screen
3. Click on the  [Back to Facilities](#) action button to go back to the Facilities listing.

Important Notes:
