## Road Resurfacing on Ellesmere Road from Military Trail to Morningside Avenue Road Resurfacing on a portion of Neilson Road

**Expected Start Date: Summer 2017**

**Expected End Date: Fall 2017**

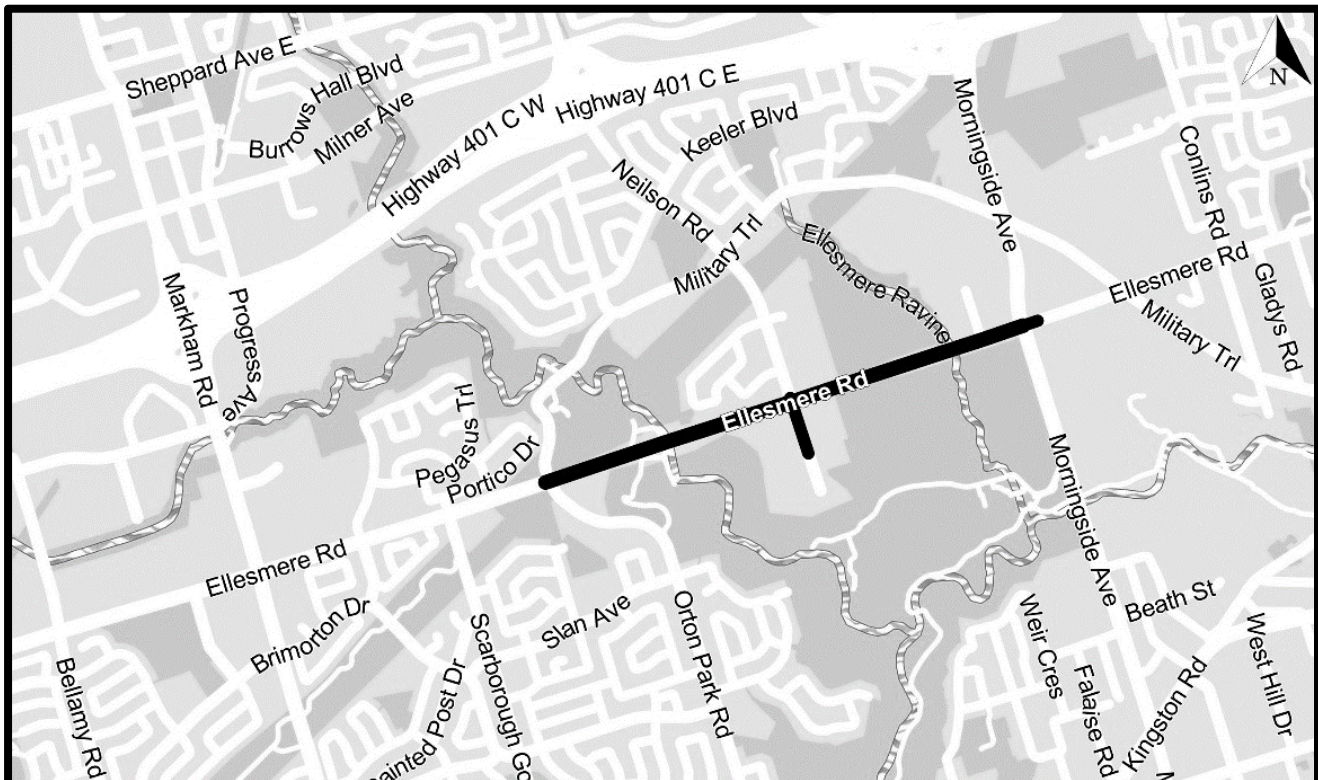

*\*Timeline is subject to change. Future notice to be provided.*

The City of Toronto is planning to resurface the road on Ellesmere Road from Military Trail / Orton Park Road to Morningside Avenue and Neilson Road from Ellesmere Road to 170 m south of Ellesmere Road (see map).

This work will also involve: installing a bicycle crossing on the north leg at the intersection of Military Trail and Ellesmere Road and removing the southbound turning lane at the intersection of Morningside and Ellesmere.

Our inspection of the road shows that it needs repaving and sections of damaged curb and sidewalk need to be replaced to bring them to a state of good repair. This work is part of the Council-approved 2017 Capital Works Program to renew aging city roads and sidewalk for current and future needs.

### MAP OF WORK AREA

## WHAT TO EXPECT BEFORE CONSTRUCTION

- Work crews will mark sidewalks and curbs requiring replacement and the locations of underground utilities, such as gas, water and cable so that the construction work does not interfere with these utilities.
- Affected properties will receive a Construction Notice approximately two weeks before work begins with more information about the work.
- Work in the boulevard in front of homes and commercial properties is expected. This work includes removing and replacing driveways, municipal sidewalks and grassed boulevards, where necessary.
- Property owners should remove items located within City property limits (boulevard), such as landscaping and or decorative objects before work starts. If you have a sprinkler system within the boulevard, please contact the Project Manager listed below.

	<p><b>Accessible Accommodation:</b> Residents who require accommodation (level entry, longer notice, etc.) must contact the <b>Project Manager</b> to arrange for access during the construction period.</p>
