

Barriers

Legend

- on-street facility
- trail
- planned LRT route
- St. Clair streetcar
- ⋯ ravine and watercourse barrier
- freeway
- major roads
- railway
- ⋯ area 1 - area 2 boundary

Crossing Barriers
 This analysis identifies opportunities to provide safer crossings where none exists within 1 km in either direction from a barrier, including highways, railways, rivers, ravines, etc. It will also consider opportunities to improve existing crossings.
