

High Park Permitted Fishing Area

Legend

-  Permitted Fishing Area
-  High Park Grounds
-  No fishing allowed outside permitted area in Grenadier Pond or in other ponds in High Park

Fish Responsibly

Respect other park users.
Share the shoreline.

Respect the health and safety of wildlife and their habitat.

Cast with caution.
Watch out for other people.

Avoid wildlife, trees and dense vegetation.

Carefully dispose of fishing line and hooks in a designated receptacle or garbage bin, or take them home with you.

Catch-and-release is recommended. Be sure to safely remove the hook and line (needle-nose pliers or forceps are helpful).

Consider using barbless hooks, lead-free sinkers and artificial lures.

Fish only during daylight hours to avoid losing your line.
