

The City of Toronto holds public consultations as one way to engage residents in the life of their city.
We invite you to get involved.

Don Mills Crossing

Public Realm Meeting and Open House

Launched in October 2016, Don Mills Crossing is examining ways to focus and shape anticipated growth around Don Mills Road and Eglinton Avenue East. This is a key city building moment for Don Mills and Eglinton! **We want to hear from you!**

Join us on June 27 or June 28 for an open house focusing on the public realm experience in the Don Mills and Eglinton area. You are welcome to attend either of the sessions at the times and venues indicated below. Staff will present and will be seeking feedback on an emerging public realm vision for the area based on background work and community and stakeholder engagement conducted to date. The new public realm network will tie together streets, parks, open spaces, bicycle and pedestrian routes with a focus on active transportation and access to transit, services and amenities.

Attention young city-builders!

We want to hear from you! Interactive public realm activities will be provided to encourage participation from children ages 5-12.

Notice of Commencement

The City has initiated a Mobility Plan Study to support the Don Mills Crossing Study.

The Mobility Plan Study will examine new transportation infrastructure such as new streets, trail connections, and a separated pedestrian and cycling crossing at the CP Rail Corridor to improve mobility choices and options in the area. This Study will satisfy Phases 1 and 2 of the Municipal Class Environmental Assessment Process.
