Road Resurfacing on Pineway Boulevard and other local roads

Contract: 17ECS-TI-14LR

Start Date: July 4, 2017

End Date: August 5, 2017

**Timeline is subject to change.*

The City of Toronto will replace damaged curbs and sidewalks and resurface the following local roads in your area (see map):

- Pineway Blvd.
- Bruce Fram Drive
- Olean Court
- Craigmont Drive
- Reiber Cres.
- Mandel Cres.
- Weatherstone Court

Our inspection of the roads show they need repaving and sections of damaged curb and sidewalk need to be replaced to bring them to a state of good repair.

This work is part of the Council-approved 2017 Capital Works Program to renew aging city roads and sidewalk for current and future needs.

MAP OF WORK AREA

WORK DETAILS

The City's contractor will:

- Dig up the road surface
- Re-align maintenance holes and catch basins
- Repair curbs, gutters and driveways
- Repave the road surface

WHAT TO EXPECT DURING CONSTRUCTION

- You may experience dust, noise and other inconveniences. The City will make efforts to reduce the impacts. We appreciate your patience.
- Property owners should remove items located within City property limits (boulevard), such as landscaping and/or decorative objects. If you have a sprinkler system within the boulevard, please contact the Field Ambassador.
- The City will not be responsible for damage to any privately owned items on City property.

	<p>Work Hours: Work will take place Monday to Friday from 9:00 am to 3:00 pm Saturday from 9:00 am to 5:00 pm With work after hours and on Sunday as approved by the City.</p>
	<p>Road and Sidewalk Access: In order to complete the work in a safe manner, there will be road and sidewalk restrictions within the construction work zone. Access for emergency vehicles will be maintained at all times.</p> <p>Driveway Access: The contractor will notify you of any temporary restrictions to your driveway access. If your property has two entrances, one entrance will be kept open at all times.</p>
	<p>Traffic Management: Efforts have been made to manage traffic in the area for the safety of workers, road users and residents. Road users should expect delays and increased traffic on nearby streets.</p> <p>Traffic will be reduced on streets with active construction / access may be limited when paving operations are taking place.</p>
	<p>Parking: Parking in the active work zone is not permitted due to space requirements for construction equipment and materials. A separate parking notice identifying alternative parking will be issued.</p>
	<p>Garbage & Recycling: Please follow your normal routine. If required, the contractor will move bins to an appropriate location and return them.</p> <p>Please ensure that you label your bins with your address.</p>
	<p>Restoration: The construction work area will be restored with sod and/or asphalt where required. Interlocking bricks, flagstone on a granular base, or other similar features that are removed from public and private property during construction will be replaced. Lawn seeding and/or laying of sod will be done as needed during ideal growing seasons only - in the spring (April to June) and fall (September to October).</p>
