

**AMENDMENTS TO OPSS 909 (FEB 93) –
CONSTRUCTION SPECIFICATION FOR PRESTRESSED
CONCRETE – PRECAST MEMBERS ¹**

OPSS 909.07.01.02 is deleted.

OPSS 909.10.01 is amended by the addition of the following:

Prestressed concrete members that will be stored at the fabricator's premises or at some other location away from the working area will be paid for prior to delivery to the site only when indicated in the specifications and only when the Contractor obtains a lease of the storage area from the fabricator or other property owner which names the Owner as the tenant. The Owner will provide the form of lease for this purpose which will specify payment of \$10.00 for the term of the lease. Payment in this situation shall be made at a rate of 80% of the tender price bid for this item. The remaining 20% of the tender price bid will be made upon delivery to the site.

Unless otherwise specified in the Contract, no payment will be made for fabrication of prestressed concrete members until the members are delivered to the site.
