## Gardiner Expressway Ramp Reconstruction & Improvements to Harbour Street (Lower Simcoe Street to Bay Street)

**Contract # 16ECS-TI-06BE**

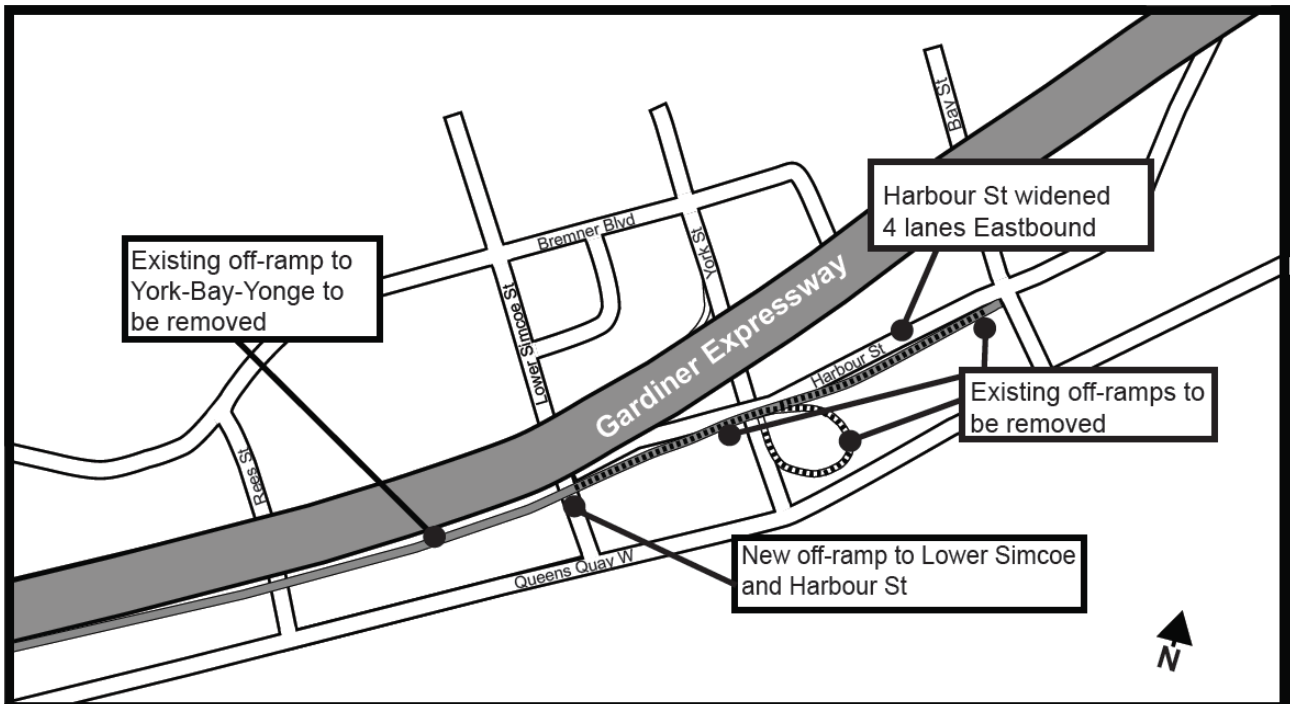

**Expected Start Date: April 17, 2017    Expected End Date: January 2018**

*\*Content/dates subject to change.*

The City of Toronto is constructing a new off-ramp from the eastbound Gardiner Expressway to Lower Simcoe Street. The contractor will begin demolition of the existing off-ramp to York, Bay and Yonge Streets in April 2017 followed by construction of the new off-ramp to Lower Simcoe Street and improvements to Harbour Street between Lower Simcoe and Bay Streets.

**Beginning Monday, April 17 to January 2018, the eastbound off-ramps from the Gardiner Expressway to York-Bay-Yonge Streets will be closed due to the construction work. More information provided below.**

### MAP OF WORK ZONE

**Traffic Management:** Efforts have been made to manage traffic in the area for the safety of workers, road users and residents. Road users should expect delays and increased traffic on nearby main and side streets.

- **EASTBOUND (EB) off-ramps from the GARDINER EXPRESSWAY to YORK-BAY-YONGE Streets will be closed beginning April 17.**
- EB off-ramps into Downtown Core will be available at JAMESON AVENUE, SPADINA AVENUE and JARVIS STREET.
- EB off-ramp at Spadina will be adjusted to allow for movement onto EB Lake Shore Boulevard. The NB turn at Spading will remain.
- Rees Street on-ramp will be closed **Monday to Friday, 9:30 am to 3:30 pm** to allow demolition to take place during the day and reduce overnight demolition work.
- EB Harbour Street between Lower Simcoe to Bay Street will be reduced to 2 lanes.
- Well-signalized, well-lit intersections and signage will be put in place ahead of construction to ensure safety for pedestrians, cyclists and drivers.

## WHAT TO EXPECT DURING CONSTRUCTION

- The community will experience dust, noise and traffic delays.
- The City will make efforts to reduce impacts. Your patience is appreciated.

	<p><b>Work Hours:</b> Work will take place from <b>7:00 am to 7:00 pm., Monday to Friday</b>, with some overnight, work after hours and on weekends as approved by the City.</p> <p>Extended work hours help to minimize traffic disruption and congestion and shorten the project duration.</p>
	<p><b>Alternate Cycle Routes:</b> The multi-purpose trail will be closed from Rees Street to Lower Simcoe Street for the duration of construction. Signs for cyclists will be posted directing them to the Martin Goodman Trail on Queens Quay West.</p>
