Presentation Outline

What is a Transportation Master Plan?

Why are we doing this study?

Scarborough Centre and study area

Study Approach & Schedule

Engagement
A Transportation Master Plan (TMP) sets the vision, strategy and action plan for the transportation system to meet the needs of a growing area.

**Scarborough Centre**
**Present time**
One of Toronto’s four growth centres with an existing transportation network favoring movement of vehicles over people.

**Vision, Strategy & Plan**
Reflective of the interests, priorities and values of residents and businesses in the area.

**Scarborough Centre**
**Future**
A sustainable and vibrant mixed-used urban centre with a transportation system for all users.
