Temporary use of quadrivalent influenza vaccine (QIV) for adults

Due to increasing demand and shipping delays, the influenza trivalent inactivated vaccine (TIV) is temporarily unavailable. The ministry is anticipating additional TIV stock next week.

The ministry would like to ensure that influenza vaccine are available for adults. Until TIV stock arrives, please refer to the Ministry directions:

- Give QIV for adults, **if you do not have TIV**
- Give TIV for adults, **if you have TIV**

Once OGPMS has provided TIV stock, please return to the use of TIV for adults and QIV for children and youth 6 months to 17 years age.

For questions on vaccine orders, call OGPMS Customer Service at 416-327-0837.

Don't hesitate. Vaccinate!
