

TORONTO Community Consultation Meeting

The City of Toronto holds public consultations as one way to engage residents in the life of their city. Toronto thrives on your great ideas and actions. We invite you to get involved.

Keele Finch Plus A City of Toronto Planning Study

Open House & Public Workshop

Keele Finch Plus is a City of Toronto Planning Study about planning for the future of the area and how to best leverage investment in subway and light rail transit (LRT) infrastructure for the benefit of the community and city.

Join us at this second public meeting and workshop to learn more about the Study and results of Phase 1. Join us to participate in activities and provide your comments. Through facilitated table discussions, we will focus on three areas: identifying key features, potential new connections and pathways, and discussing where growth should be encouraged. We will also start to look at how new buildings may look and where they could be located. The meeting will be led by City Planning, and attended by Metrolinx and the TTC. We will use your input in considering where, how and by how much the area can grow.

The Open House & Public Workshop will take place on March 7th. You are welcome to attend any time between 5:30 p.m. and 9:00 p.m. However, it is recommended that you arrive by 6:30 p.m. in order to participate in the entire workshop. Materials will be posted online on the project website at www.toronto.ca/keelefinchplus. We encourage you to **sign up for email updates** to help keep you informed of the Study and to let you know about other ways to participate.

Meeting Details

Tuesday, March 7, 2017
5:30 - 9:00 p.m.
