

# TORONTO Community Consultation Meeting

The City of Toronto holds public consultations as one way to engage residents in the life of their city. Toronto thrives on your great ideas and actions. We invite you to get involved.

## Keele Finch Plus A City of Toronto Planning Study

### Open House & Public Workshop

Keele Finch Plus is a City of Toronto Planning Study about planning for the future of the area and how to best leverage investment in subway and light rail transit (LRT) infrastructure for the benefit of the community and city.

**Join us** at this third public meeting and workshop to learn more about the Study and results of Phase 1 and the first part of Phase 2. We will be presenting three options for how the area may evolve over time. Tell us what you like about the options and help us make these options better! The meeting will be led by City Planning, and attended by Metrolinx and the TTC. We will use your input in considering where, how and by how much the area can grow. Results will help inform a recommendation to Council within a year.

**The Open House & Public Workshop will take place on September 28<sup>th</sup>.** You are welcome to attend any time between 5:00 p.m. and 8:30 p.m. However, it is recommended that you arrive by 6:30 p.m. in order to participate in the workshop. Materials will be posted online on the project website at [www.toronto.ca/keelefinchplus](http://www.toronto.ca/keelefinchplus). We encourage you to **sign up for email updates** to help keep you informed of the Study and to let you know about other ways to participate.
