

Attachment 2 – Areas Where Air Quality Studies are Recommended

Keele Finch Plus Study

Area Where Air Quality Studies are Recommended

Note: while air quality studies may be recommended in areas beyond that depicted in this map, only the area shown was studied in detail as part of Keele Finch Plus. Residential uses are not contemplated in designated *Employment Areas* in the Official Plan.

Area where Air Quality Studies are recommended for planning applications, which include a sensitive use, in accordance with the City's Terms of Reference for Air Quality Studies.

Not to Scale
