

Toronto Employment and Social Services

Our vision is to strengthen the social and economic well-being of Torontonians in their communities. Our mission is to provide employment services, financial benefits and social supports that make our vision a reality. Our work is to:

- *Develop and provide integrated employment services, supports and opportunities.*
- *Deliver financial benefits.*
- *Advocate for policies, programs and services that better support Torontonians in their communities.*
- *Invest in skilled staff at all levels to respond to a dynamic environment.*
