## General Conditions ("GC")

- (a) The local Councillor (or local Councillors if the subject property is located on a ward boundary or if the transaction involves an exchange of properties in more than one ward), will be consulted prior to the exercise of delegated Approving Authority by staff for all Acquisitions, Disposals, Land Exchanges and Leases.
- (b) Where approving power has been delegated to staff, the Chief Corporate Officer, in consultation with the applicable Deputy City Manager or the City Manager, may determine that such matter is of such special interest that same should be returned to the relevant Committee and Council for consideration and determination.
- (c) Exercise of delegated authority is subject to all applicable Council policies, statutes or other applicable law.

(d) Authority to approve financial commitments/expenditures is subject to all amounts being available in an approved budget, or funding being available from third party sources, except for "Strategic Property Acquisitions" as set out in EX44.22 adopted by Council August 25, 26, 27 and 28, 2014, which identifies alternative funding mechanisms subject to additional approval requirements.

- (e) Property interests are to be based on appraised value, and no interest shall be granted at less than market value unless otherwise specifically authorized.
- (f) Authority to approve transactions at less than market value is subject to statutory anti-bonusing provisions.
- (g) Total compensation means the aggregate of all types of payments, including land value, estimated clean-up costs, potential arbitration awards, loss claims, etc, but exclusive of any applicable taxes and registration costs.

(h) Authority to acquire property is conditional upon provision being made to bring the property into compliance with applicable MOE or other requirements such that it will be fit for its intended municipal purpose, except for property acquisitions of 50M<sup>2</sup> or less for transit shelter purposes.

- (i) Authority to initiate the permanent road closure process in A.4 is conditional upon confirmation by the GM of Transportation Services that it is feasible to permanently close the highway.
- (j) Disposal authorities in **A.7** are subject to the property having been declared surplus, and the disposal policy complied with.
- (k) Land exchanges, except for those in A.8, may be authorized based on the delegated Approving Authority for Disposals in A.7.
- (I) Approving Authority with respect to land located in the Designated Waterfront Area is conditional upon the approval of the Director, Waterfront Secretariat.
- (m) Authority to approve an exchange of land in A.8 is conditional upon confirmation by the Chief Planner and Executive Director, and the GM of Parks, Forestry & Recreation, that the land being exchanged is (i) nearby land of equivalent or larger area, and (ii) of comparable or superior green space utility.
- (n) Approving Authority in A.9 Leases (City as Landlord) but not Licences (City as Licensor) is limited to periods (including options/renewals) of less than twenty-one (21) years.
- (o) Total compensation in leasing matters where the City is landlord (A.9) includes the value of tenant improvements if factored into tenant's rental payments.
- (p) Total compensation in leasing matters where the City is the tenant (A.10) includes the value of any tenant improvements to be paid by the City.
- (q) Where options/renewals are included in leases, if the renewal rent is to be determined at a date later than the original approval date, total compensation is to be calculated as though all options are exercised, estimating the renewal rent based on the highest rent payable in the first term of the lease.
- (r) Total compensation in leasing matters where the City is landlord (A.9) or tenant (A.10) is to be calculated from the date of approval pursuant to this delegation (ie. first allowing for the expiry of any prior approvals, whether by Council or a delegated authority).
- (s) Approving Authority in leasing matters includes authority to approve renewals/extensions within the parameters of the delegated Approving
- Authority.
   (t) Approving Authority includes authority for amendments within the parameters of the delegated Approving Authority, the cumulative total of which may not exceed the delegated financial limit.
- (u) Where proposed additional amounts in A.13 exceed 10 per cent of the original decision, even if otherwise in compliance with all other conditions, then approving authority is transferred upwards to the next more senior level of approving authority having the relevant overall financial limit.
