

Environment & Energy

Internal Corporate Services

The Deputy City Manager reports directly to the City Manager in delivering internal corporate services. The Office of the Deputy City Manager consists of Business Performance Management, City-Wide Strategic Initiatives, Strategic Construction Projects and Corporate Security and manages the Divisions of 311 Toronto, Environment and Energy, Facilities Management, Fleet Services, Information and Technology and Real Estate Services.

In addition to promoting environmental sustainability, energy efficiency, and conservation within the City's internal operations, the Environment & Energy Division develops and implements environmental and energy policies, projects, and programs that promote sustainable development and the growth of the green economy; provides research and policy expertise; establishes and leverages partnerships with internal and external stakeholders; delivers tools and resources to engage Toronto residents and businesses in adopting sustainable lifestyles and business practices; and ensures the City can maintain its global leadership position in environmental stewardship.
