Employment Law

The Employment Law Division provides a full range of employment and labour law services to the City's Management and Council regarding its role as employer, including matters related to labour arbitrations, workplace safety and insurance board matters, employment contracts, human rights matters (in the employment context), employee termination and health and safety matters. However, this Division does not offer legal advice to City employees regarding their employment with the City or to members of the public.

Litigation

The litigation group provides a broad range of legal services to the City, and its ABCs. Litigators appear at all levels of court, including the Supreme Court of Canada, as well as administrative tribunals. Legal counsel handle such matters as defence of claims against the City, including slip and fall claims and claims against police officers, Building Code matters, collection of debts owing to the City and dealing with construction lien issues.

Municipal Law

The Municipal Law practice section provides general solicitor services to the City in support of its administration and the operations of its various Divisions and its various local boards. Such services include legal opinions and advice on issues that arise in the course of operations and work related to the preparation and finalization of agreements, by-laws and reports to Committees and Council.

Prosecutions

The Prosecutions Section is responsible for the prosecution of a wide variety of charges laid by City staff and the police under City by-laws and provincial statutes enforced by the City. Since 2002, the Section has also been responsible for prosecutions when trials are requested in relation to most highway traffic and similar charges issued in Toronto. The Section is also responsible for handling appeals resulting from these prosecutions.
