

TORONTO Social Development, Finance & Administration

Social Development, Finance & Administration provides leadership on the City's social inclusion and community safety agenda of building safe, strong neighbourhoods and communities. Through internal, inter-governmental and community partnerships, Social Development, Finance & Administration leads integrated service planning and delivery, and responds to other community social needs through social policy research and analysis, to improve individual and neighbourhood outcomes. The Division also provides financial and program support and oversight, to operating programs to ensure Cluster A objectives are met.
