

TORONTO Purchasing & Materials Management

Office of the Controller

The Office of the Controller provides a broad range of internal financial services to the corporation of the City of Toronto and comprises four divisions: Accounting Services (including accounts payable), Revenue Services (property tax, water billing and collection, parking tag collection), Pension, Payroll and Employee Benefits and Purchasing and Materials Management.

The Purchasing & Materials Management division is responsible for the commitment of public funds for the acquisition of goods and services, provides leadership, quality customer service and best value to the taxpayers of the City of Toronto through the application of open, fair, equitable and accessible business processes and practices.
