

TORONTO Facilities Management

Corporate Services

The Deputy City Manager reports directly to the City Manager in delivering internal corporate services. The Office of the Deputy City Manager consists of Business Performance Management, City-Wide Strategic Initiatives, Strategic Construction Projects and Corporate Security and manages the Divisions of 311 Toronto, Environment and Energy, Facilities Management, Fleet Services, Information & Technology and Real Estate Services.

Facilities Management provides facility management services across the City. Our mission includes planning for, building, maintaining, and improving City properties in a manner that supports service delivery, safety, and comfort to stakeholders, and municipal pride in appearance.
