

City of Toronto
Divisional Business Expenses
For the period January 1 to June 30, 2017

Division:	Economic Development and Culture Division
------------------	--

Division Summary	
Annual Budget (Gross):	\$82,025,763
No. of Employees:	300
Description:	
<p>The Division provides services that contribute to an economically strong, socially enjoyable and culturally vibrant city. Our combined service responsibilities heighten Toronto's ability to sustain and promote itself as one of the world's leading creative cities. Our objective is to advance Toronto's prosperity, opportunity and liveability by engaging partners in the planning and development of Toronto's economy and cultural resources; creating an environment in which business and culture can thrive and delivering targeted programs and services.</p>
