## 1.0 INTRODUCTION

The document contains a listing of all City-owned streets as adopted by City Council on June 19, 20 and 22, 2007. The listing contains streets which are classified as expressway, major arterial, minor arterial and collector. Local streets, streets owned privately or by other levels of government, expressways and road ramps, public and private laneways and roads pending classification are not included.

The streets are sorted by District area and alphabetically by street names. For a complete list of abbreviations for street type and direction, see Section 2 of the document.
