Purpose	To obtain authority to enter into an agreement with Toronto Hydro-Electric System Limited ("Hydro") to acquire a fee simple ownership of a property owned by Hydro located adjacent to an existing Fire Station (#322). Hydro will retain a permanent easement for a small portion of the property for its existing infrastructure (hydro pole and guy wire).

Comments	The Fire Services Division has an interest in acquiring a property owned by Hydro located adjacent (to the east) of existing Toronto Fire Station #322. If acquired, the Property would be utilized to create additional parking spots for users of the Fire Station.							
	City staff have approached Hydro to enquire on the availability of the Property. Hydro has informed that the Property is surplus to its needs and can be made available for sale to the City for nominal (\$1.00) consideration subject to an easement over a small portion of the property for Hydro's remaining infrastructure (hydro pole and guy wire).
