Transmission Watermain Relining on Macpherson Avenue, Boulton Drive and Russell Hill Road

Contract: 16ECS-LU-01TT
Start Date: March 8, 2017
End Date: September 30, 2018
**Timeline is subject to change.*

The City of Toronto is relining the transmission watermain on Macpherson Ave, Russell Hill Road and Boulton Drive and a local watermain on Boulton Drive (see map).

The contractor will start the shaft (access pit) construction on Macpherson Avenue. Four shafts will be constructed on Macpherson Avenue as depicted in the map below. Shafts are required to access the watermain for relining.

- **Due to this work, Macpherson Avenue between Poplar Plains Road and Rathnelly Avenue will be closed to eastbound traffic from March 8, 2018 to June 15, 2018.**
- **Detour and road closure signs will be installed.**

The contractor will open the road prior to June 15, 2018 but there may be intermittent closures up to June 30, 2018 for pressure testing and disinfection.

- Relining of the transmission main on Russell Hill Road and Boulton Drive is now complete and the contractor is working at shaft locations to close the pipe and the shaft.

WHAT TO EXPECT DURING CONSTRUCTION

- There will be no impact to water service due to this work.
- You may experience dust, noise and other inconveniences. The City will make efforts to reduce the impacts. We appreciate your patience.

	<p>Road and Sidewalk Access: In order to complete the work in a safe manner, there will be road and sidewalk restrictions within the construction work zone. Access for emergency vehicles will be maintained at all times.</p> <p>Driveway Access: The contractor will notify you of any temporary restrictions to your driveway access. If your property has two entrances, one entrance will be kept open at all times.</p>
	<p>Traffic Management:</p> <p>Eastbound lane on Macpherson Avenue will be closed from March 8, 2018 to June 15, 2018</p> <p>Clarendon Ave will remain closed up to July 15, 2018 at the intersection of Russell Hill Road due to valve chamber work as previously communicated.</p> <p>Road users should expect delays and increased traffic on nearby main and side streets.</p>
	<p>Parking: Parking in the active work zone is not permitted due to space requirements for construction equipment and materials. If your parked vehicle affects the construction work, it will be re-located with no charge to the owner. If your vehicle is moved, please contact parking control for its location at 416-808-2222.</p> <p><i>In the event you receive a traffic ticket for on-street parking during this period of construction, you may choose to dispute your ticket at one of the locations listed on the reverse side of the parking infraction notice. You may use this notice as part of your defence for parking consideration during construction; however, the Field Ambassador does not have the authority to cancel any parking tickets.</i></p>
