Road Resurfacing on Eglinton Avenue West from Martin Grove Road to Jane Street

Contract #: 17ECS-TI-06MR

Start Date: April 30, 2018

Expected End Date: July 27, 2018

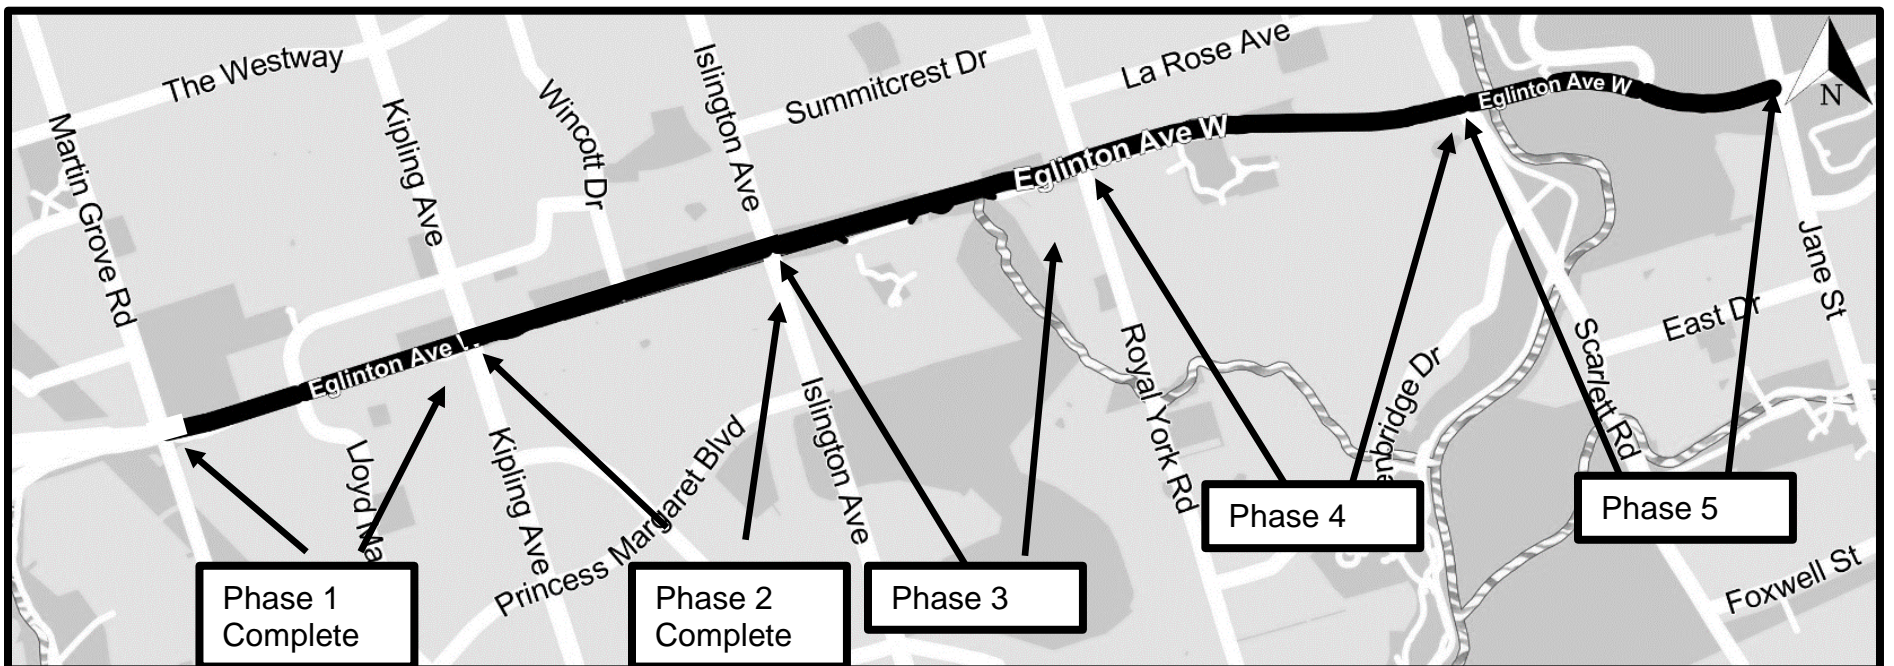

**Timeline is subject to change. Future notice to be provided.*

The City of Toronto started resurfacing Eglinton Avenue West in the Fall of 2018 and to-date has completed Phase 1 and 2 work, from 100 metres east of Martin Grove Road, to Islington Avenue.

Work will re-start on April 20, 2018 to complete the remaining work, phases 3, 5, and 4. This work is being done because our inspection of the road shows that it needs repaving and sections of damaged curb and sidewalk need to be replaced to bring them to a state of good repair. A new sidewalk will be added on the north side of Eglinton between Jane and Scarlett Road.

This work is part of the Council-approved 2017 Capital Works Program to renew aging city roads and sidewalk for current and future needs.

WHAT TO EXPECT DURING CONSTRUCTION

- You may experience dust, noise and other inconveniences. The City will make efforts to reduce the impacts. We appreciate your patience.
- Property owners on Eglinton Avenue West should remove items located within City property limits (boulevard area) such as landscaping and/or decorative objects. If you have a sprinkler system within the boulevard, please contact the Project Manager.
- The City will not be responsible for damage to any privately owned items on City property.

	<p>Work Hours: Work will take place from 7:00 a.m. to 11:00 p.m., Monday to Friday, with work from 9:00 a.m. to 9:00 p.m. Saturdays after hours and on weekends as required.</p>
	<p>Road and Sidewalk Access: In order to complete the work in a safe manner, there will be road and sidewalk restrictions within the construction work zone. Access for emergency vehicles will be maintained at all times.</p> <p>Driveway Access: The contractor will notify you of any temporary restrictions to your driveway access. If your property has two entrances, one entrance will be kept open at all times.</p>
	<p>Traffic Management: Efforts have been made to manage traffic in the area for the safety of workers, road users and residents. Some of these efforts include adding Local Access signs, revising traffic signal times. Road users should expect delays and increased traffic on nearby main and side streets.</p> <p>Eglinton will be reduced to one lane in each direction in the work zone.</p>
	<p>TTC Service: This project may affect travel times on all 32 Eglinton routes through the work zones. Visit ttc.ca for accurate schedule information.</p>
	<p>Restoration: Areas affected by construction will be restored.</p>

Thank you for your patience. Building a great city takes time. Better infrastructure for all of us is worth the wait.

You may receive more than one notice for construction work in the area from The City in 2018, as there are other planned projects on The Westway and Martin Grove Road later this year. This work has been coordinated to reduce traffic impacts as much as possible.
