Lawrence Ave East Bridge over Highland Creek – Expansion Joint Seal Replacement

Contract: 12SE-13S
Expected Start Date: Late April 2018
Expected End Date: Early June 2018
**Timeline is subject to change.*

The City of Toronto will replace the expansion joint seals at the Lawrence Avenue East Bridge over Highland Creek. This work will take about two weeks to complete when it starts and will ensure that the bridge meets today's standards and remains safe for vehicles and pedestrians. The project is part of the Council-approved 2018 Capital Works Program.

MAP OF WORK AREA

WORK DETAILS

The City's contractor will:

- Remove and replace the expansion joint seals
- Site Clean Up and restoration of any disturbed areas.

WHAT TO EXPECT DURING CONSTRUCTION

- You may experience dust, noise and other inconveniences. The City will make efforts to reduce impacts. We appreciate your patience.

	<p>Work Hours: Work will take place from 7:00 am to 7:00 pm., Monday to Friday, with work after hours and on weekends as required.</p>
	<p>Road and Sidewalk Access: In order to complete the work in a safe manner, there will be road and sidewalk restrictions within the construction work area. At least one sidewalk over the bridge will be open to pedestrians.</p>
	<p>Traffic Management: Efforts have been made to manage traffic in the area for the safety of workers, road users and residents. Road users should expect delays and increased traffic on nearby main and side streets.</p> <p>At least one lane in each direction will be available over the bridge during construction.</p>
	<p>TTC Route Information: This project may affect travel times on the 54 Lawrence East Routes. Visit www.ttc.ca for more information.</p>
	<p>Restoration: The construction work area will be restored with asphalt where required.</p>
