

April 18, 2018

Storm Sewer Replacement on Brampton Road from 56 Brampton Road to Shipley Road

Contract: 17ECS-LU-01SU
Start Date: March 26, 2018
Work Resumes: May 7, 2018
End Date: June 1, 2018
**Timeline is subject to change.*

The City of Toronto will replace the storm sewers and the City-owned portion of substandard water services on Brampton Road continues.

We appreciate your patience as we work to complete this important infrastructure upgrade.

WHAT'S NEW

To-date, the contractor has:

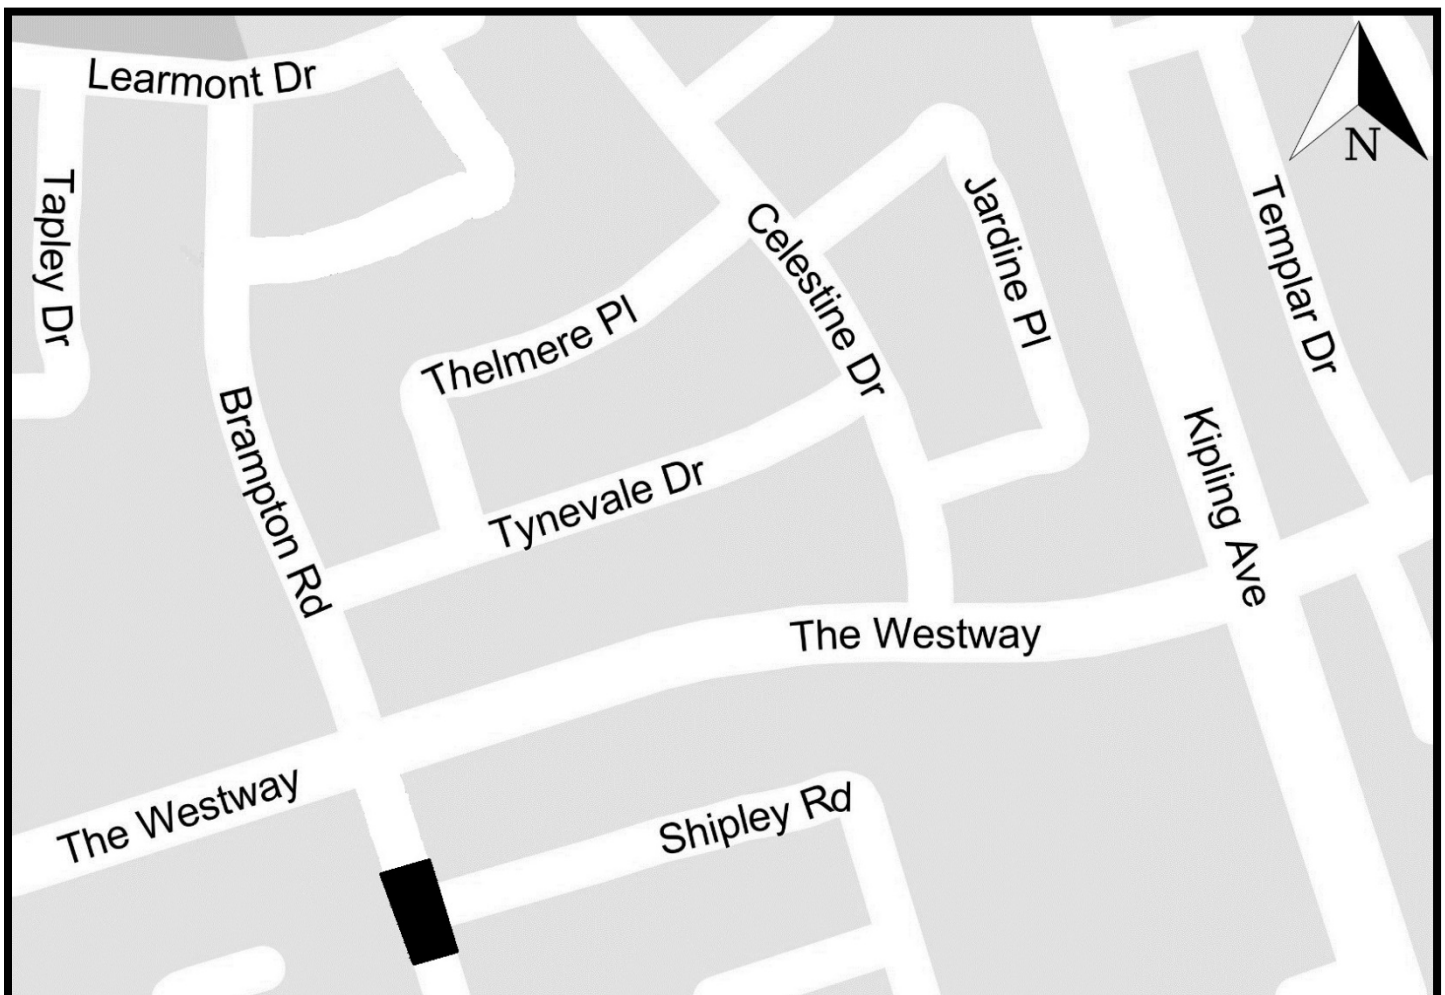

- Completed the installation of the storm sewer in the roadway

This Spring, the contractor will:

- Resurface affected lanes of Brampton Road

Please note that completion of road resurfacing work is dependent on ground and weather conditions. The Contractor will provide a notice confirming the date and time of the repaving operation closer to the date.

MAP OF WORK AREA

WHAT TO EXPECT DURING CONSTRUCTION

- You may experience dust, noise and other inconveniences. The City will make efforts to reduce the impacts. We appreciate your patience.
- Property owners should remove items located within City property limits (boulevard), such as landscaping and / or decorative objects. If you have a sprinkler system within the boulevard, please contact the Field Ambassador.
- The City will not be responsible for damage to any privately-owned items on City property.

	<p>Work Hours: Work will take place from 7:00 am to 9:00 pm., Monday to Friday and 9:00 am to 7:00 pm on Saturday, with work after hours and on Sunday as required.</p>
	<p>Road and Sidewalk Access: In order to complete the work in a safe manner, there will be road and sidewalk restrictions within the construction work zone. Access for emergency vehicles will be maintained at all times.</p> <p>Driveway Access: The contractor will notify you of any temporary restrictions to your driveway access. If your property has two entrances, one entrance will be kept open at all times.</p>
	<p>Traffic Management: Efforts have been made to manage traffic in the area for the safety of workers, road users and residents. Some of these efforts include adding Local Access signs, revising traffic signal times. Road users should expect delays and increased traffic on nearby main and side streets.</p> <p>Traffic on Bethwin Place and Brampton Road may be reduced to one lane.</p>
	<p>Parking: Parking in the active work zone is not permitted due to space requirements for construction equipment and materials. If your parked vehicle affects the construction work, it will be re-located with no charge to the owner. If your vehicle is moved, please contact parking control for its location at 416-808-2222.</p>
	<p>Garbage & Recycling: Please follow your normal routine. If required, the contractor will move bins to an appropriate location and return them. <i>Please ensure that you label your bins with your address.</i></p>
	<p>Restoration: The construction work area will be restored with sod and/or asphalt where required. Interlocking bricks, flagstone on a granular base, or other similar features that are removed from public and private property during construction will be replaced. Lawn seeding and/or laying of sod will be done as needed during ideal growing seasons only - in the spring (April to June) and fall (September to October).</p>
