Purpose	To obtain authority to enter into an Entrance Connection Agreement (known as the "Agreement") with Yonge & Lawrence Inc. (the "Owner"). The Agreement will allow the City of Toronto and Toronto Transit Commission (TTC), its respective employees, servants, contractors and their tenants and invitees access between the Owners' development and the City/TTC facilities located within Yonge Street, grant a licence to the Owner over portions of the City land to maintain such facilities and set out the ownership and maintenance obligations as it pertains to such connecting facilities.
Property	See Appendix "A" for description of Owner Lands and City Lands.
Actions	<p>It is recommended that:</p> <ol style="list-style-type: none"> 1. Authority be granted for the City to enter into the Entrance Connection Agreement with the Owner, substantially on the terms and conditions outlined in Appendix "B" and on such other terms and conditions as may be acceptable to the Director of Real Estate and in a form satisfactory to the City Solicitor. 2. The City Solicitor be authorized to complete the transaction on behalf of the City, including paying any necessary expenses, amending the closing, due diligence and other dates, and amending and waiving terms and conditions, on such terms as she considers reasonable. 3. The appropriate City Officials be authorized and directed to take the necessary action to give effect thereto.
Financial Impact	<p>In consideration for permitting the Owner to connect the owner building to the Lawrence Subway Station, the Owner shall pay to TTC a fee of \$54,973.50 without any deduction or set-off whatsoever, plus HST and any other applicable taxes. This entrance connection fee imposed by the TTC is a development requirement under the Site Plan Agreement and is not consideration for the acquisition of the easements and licenses set out in the Agreement. The City is paying a nominal sum for the acquisition of such interests under the Site Plan Agreement.</p> <p>The Acting Chief Financial Officer has reviewed this DAF and agrees with the financial impact information.</p>
Comments	<p>On November 7, 1974 The Municipality of Metropolitan Toronto, as lessor, and Park Manor Properties (Central) Limited, as lessee, originally entered into a lease where certain lands as indicated in Appendix "A" were leased to Park Manor Properties (Central) Limited. The lease was then amended and assigned several times. The City is the successor to The Municipality of Metropolitan Toronto, and the Owner is the assignee of the lessee's interest under the lease.</p> <p>Pursuant to a Site Plan Agreement between the City and the Owner, the TTC required that the Owner grant to the City, for the benefit of the City and the TTC, easements and licences over the portion of the Owner Lands to allow the City and the TTC, its respective employees, servants, contractors and their tenants and invitees access between the Owners' development and the City/TTC facilities located within Yonge Street and set out the ownership and maintenance obligations as it pertains to such connecting facilities. The City is granting a licence over its lands for the maintenance of such facilities on the City Lands.</p>
Terms	See Appendix "B"
