Road Construction on Disco Road, Carlingview Drive and Attwell Drive

Contract: 18ECS-TI-104LR

Expected Start Date: Late July, 2018

Expected End Date: Late December 2018

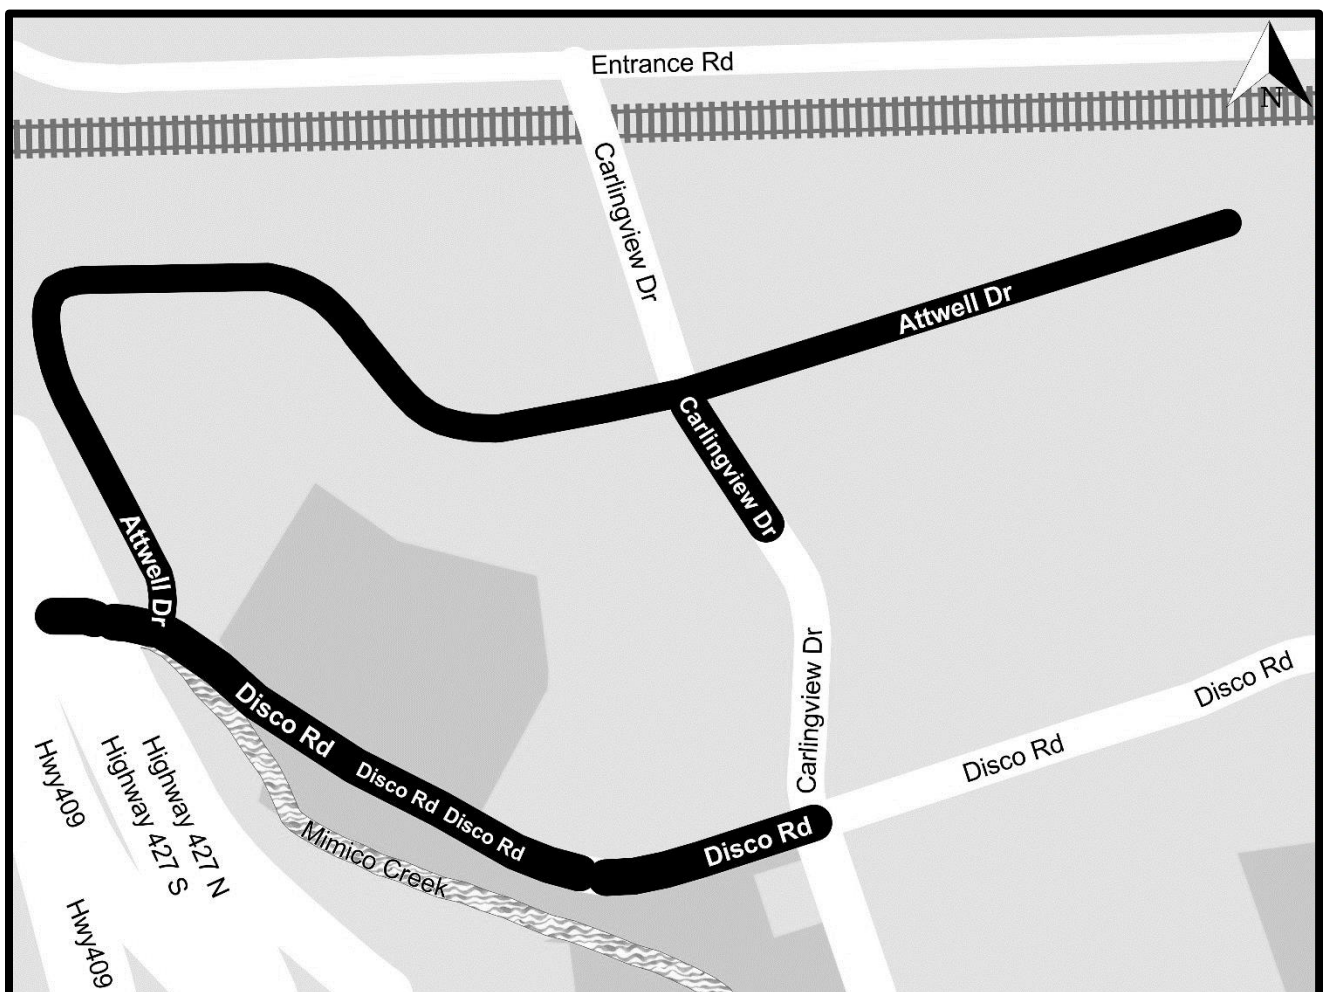

**Timeline is subject to change. Future notice to be provided.*

The City of Toronto is planning to reconstruct Disco Road from Carlingview Drive to Attwell Drive and resurface the road on Disco Road from Attwell Drive to the southbound underpass of Highway 427; the City is planning to reconstruct the road on Attwell Drive from Disco Rd to 504m East of Carlingview Dr (see map)

The work includes replacing both sides of the curb & gutter on Disco Road and Attwell Drive, the concrete sidewalk will be installed and / or replaced where required along Disco Road, Attwell Drive, and Carlingview Drive from Attwell Drive to 150m of Attwell Drive.

This work is needed to bring the road to a state of good repair and improve storm water runoff. This project is part of the Council-approved 2018 Capital Works Program to renew aging infrastructure.

MAP OF WORK AREA

WHAT TO EXPECT BEFORE CONSTRUCTION

- Work crews will mark the locations of underground utilities, such as gas, water and cable so that the construction work does not interfere with these utilities.

- Affected properties will receive a Construction Notice approximately two weeks before work begins with more information about the work.
- Work in the boulevard in front of businesses is expected. This work includes removing and replacing (and depending on your location, modifying) driveways, municipal sidewalks and boulevards, as required.
- Property owners should remove items located within City property limits (boulevard), such as landscaping, fencing, irrigation systems and / or decorative objects before work starts.
- The City will not be responsible for damage to any privately-owned items on City property.

	<p>Pre-Construction Inspection: The contractor will survey all properties within 30 metres the construction area before construction starts. Participation in the survey is voluntary; however, participating is important in determining if the construction caused damage. The inspection will look at both the interior and exterior of all properties to verify existing conditions. All inspection staff will be wearing photo identification and carrying photographic equipment during their work.</p>
	<p>Accessible Accommodation: Residents who require accommodation (level entry, longer notice, etc.) must contact the Field Ambassador to arrange for access during the construction period.</p>
