## Road Resurfacing, Sidewalk and Curb Repairs on Barmac Drive from Ormont Drive to Steeles Avenue West

**Contract: 17ECS-TI-13LR**  
**Start Date: October 19, 2017**  
**NEW Start Date: June 2018**  
**NEW End Date: June 29, 2018**

*\*Timeline is subject to change.*

This notice provides an update on construction activities taking place to resurface Barmac Drive from Ormont Drive to Steeles Avenue West and repair damaged sections of curb and sidewalk. Work on this project was deferred to Spring 2018, this delay was caused by the need for warmer weather to ensure the structural integrity of the new asphalt surface and concrete structures. This work will take about 3 weeks to complete.

We know this project has an impact to all businesses along Barmac Drive. We sympathize and appreciate your patience with the dust, noise, fencing and other inconveniences.

### MAP OF WORK AREA

### WORK STATUS TO DATE

- All sidewalk and curb repairs are complete.
- Driveway restoration work has been completed.
- Topsoil and sod restoration work has been completed.

### REMAINING WORK

The City's contractor will:

- Dig up the road surface
- Re-align maintenance holes and catch basins
- Repair the road base as required
- Resurface the road

### WHAT TO EXPECT DURING CONSTRUCTION

- You may experience dust, noise and other inconveniences. The City will make efforts to reduce the impacts. We appreciate your patience.
- Property owners should remove items located within City property limits (boulevard), such as landscaping, sprinkler systems, and/or decorative objects.

- The City will not be responsible for damage to any privately owned items on City property, including sprinkler systems, unless there is an existing encroachment agreement.

	<p><b>Work Hours:</b> Work will take place Monday to Friday from 7:00 am to 7:00 pm, Saturday from 9:00 am to 5:00 pm, with work after hours and on Sunday as required.</p>
	<p><b>Traffic Management:</b> Efforts have been made to manage traffic in the area for the safety of workers, road users and residents. Road users should expect delays and increased traffic on nearby streets.</p> <p><b>Traffic will be reduced on streets with active construction / access may be limited when paving operations are taking place.</b></p>
	<p><b>Road and Sidewalk Access:</b> In order to complete the work in a safe manner, there will be road and sidewalk restrictions within the construction work zone. Access for emergency vehicles will be maintained at all times.</p> <p><b>Driveway Access:</b> The contractor will notify you of any temporary restrictions to your driveway access. If your property has two entrances, one entrance will be kept open at all times.</p>
	<p><b>Parking:</b> Parking in the active work zone is not permitted due to space requirements for construction equipment and materials. If your parked vehicle affects the construction work, it will be re-located with no charge to the owner. If your vehicle is moved, please contact parking control for its location at <b>416-808-2222</b>.</p> <p>In the event you receive a traffic ticket for on-street parking during this period of construction, you may choose to dispute your ticket following the process listed on the reverse side of the parking infraction notice. <b><i>You may use this notice as part of your defence for parking consideration during construction; however, the Project Manager does not have the authority to cancel any parking tickets.</i></b></p> <p>Please note that parking tickets cannot be cancelled if vehicles were parked in illegal parking spots such as in front of a fire hydrant or in no parking zones. A separate parking notice identifying parking restriction times will be issued.</p>
	<p><b>Garbage &amp; Recycling:</b> Please follow your normal routine. If required, the contractor will move bins to an appropriate location and return them. <b><i>Please ensure that you label your bins with your address.</i></b></p>
	<p><b>Restoration:</b> The construction work area will be restored with sod and/or asphalt where required. Interlocking bricks, flagstone on a granular base, or other similar features that are removed from public and private property during construction will be replaced. Lawn seeding and/or laying of sod will be done as needed during ideal growing seasons only - in the spring (April to June) and fall (September to October).</p>
	<p><b>TTC Service:</b> This project may affect travel times on the <b>165 Weston Road North Route</b>. Visit <a href="http://ttc.ca">ttc.ca</a> for accurate schedule information.</p>
