

City of Toronto
Divisional Business Expenses
For the year ended December 31, 2017

Division: Economic Development and Culture Division
--

Division Summary

Annual Budget (Gross): \$83.08 Million

No. of Employees: 300

Description:

The Division provides services that contribute to an economically strong, socially enjoyable and culturally vibrant city. Our combined service responsibilities heighten Toronto's ability to sustain and promote itself as one of the world's leading creative cities. Our objective is to advance Toronto's prosperity, opportunity and liveability by engaging partners in the planning and development of Toronto's economy and cultural resources; creating an environment in which business and culture can thrive and delivering targeted programs and services.
