Local Access during reconstruction of Dunbloor Road Week of June 11, 2018 – December 2018

Contract: 16ECS-TI-01SP

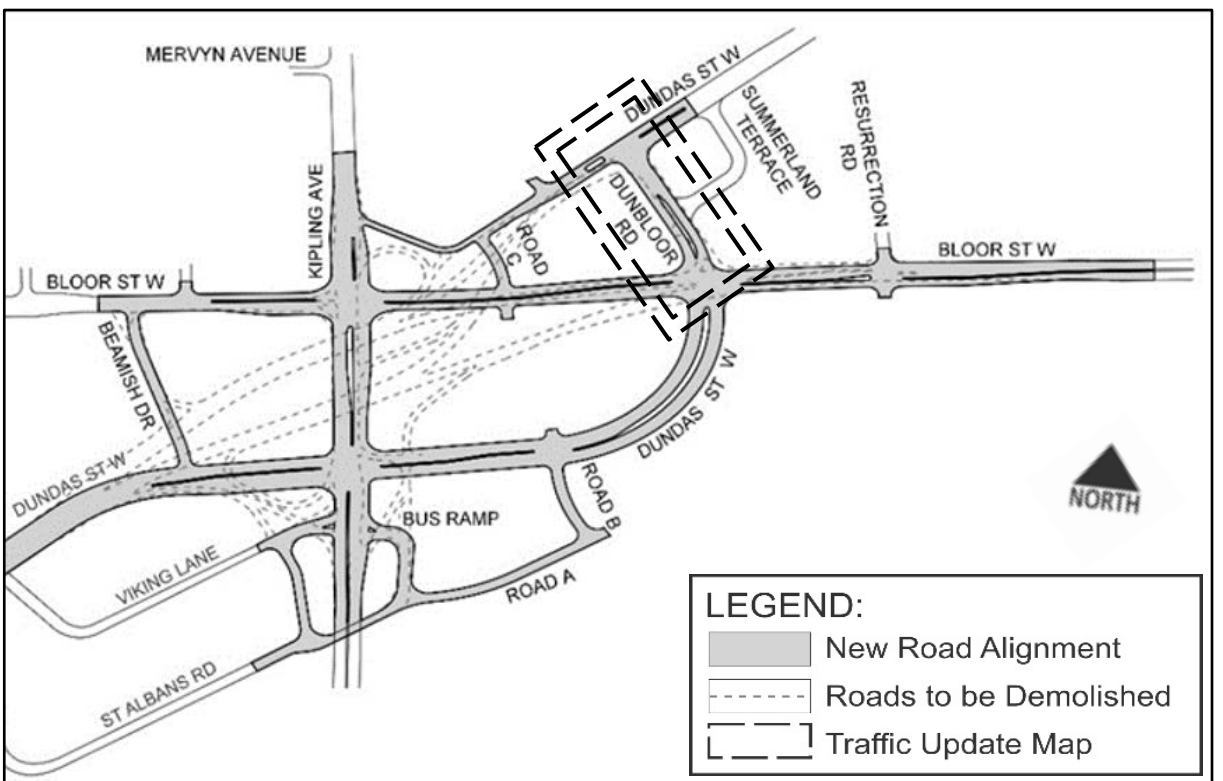

The City of Toronto continues reconstruction of the Six Points Interchange. Work is taking place southeast of Bloor Street and Kipling Avenue (former Westwood Theatre lands), and at locations along Bloor Street West, Kipling Avenue, Dundas Street West, and Kipling access ramps.

This project is part of the Council-approved 2016 - 2025 Capital Budget and Plan, and supports the development of Etobicoke Centre as a vibrant mixed-use transit-oriented community. Please refer to **Construction Update #5** (posted online) for more information on construction work in the Six Points project area. Additional Notices will be distributed as construction progresses.

MAP OF SIX POINTS RECONSTRUCTION

Important Note:

Starting the week of June 11, 2018, Dunbloor Road reconstruction will start. This work includes the intersections at Dundas Street West and Bloor Street West. Work will involve installing a permanent roadway, median, new sidewalks and bike lanes, as well as start the preparation needed for future traffic signals at the north and south ends of Dunbloor Road that should take place in Fall 2018.

Local vehicle access will be maintained at all times to Summerland Terrace from either Dundas Street or Bloor Street, as construction progresses into Fall 2018. Pedestrians will have access to a sidewalk along the east side of Dunbloor Road.

WHAT TO EXPECT DURING CONSTRUCTION

You may experience dust, noise and other inconveniences. The City will make efforts to reduce the impacts. Your patience is appreciated.

|--|--|
| | <p>Work Hours: Work will take place from 7:00 am to 7:00 pm., Monday to Friday, subject to safe weather conditions, with work after hours and on weekends as required and approved by the City.</p> |
| | <p>Road and Sidewalk Access: In order to complete the work in a safe manner, there may be road and sidewalk restrictions within the construction work zone. Adequate signage will be placed in advance of any sidewalk restrictions. Access for emergency vehicles will be maintained at all times.</p> <p>Driveway Access: The contractor will notify you of any temporary restrictions to your driveway access. If your property has two entrances, one entrance will be kept open at all times.</p> |
| | <p>Traffic Management: Efforts have been made to manage traffic in the area for the safety of workers, road users and residents. These efforts include adding Local Access signs, revising traffic signal times. Road users should expect delays and increased traffic on nearby streets.
