## TTC Track Intersection Renewals on Broadview Avenue at Dundas Street East and at Gerrard Street East

**Contract: 18ECS-TI-05SP**

**Start Date: June 25, 2018**

**End Date: September 8, 2018**

*\*Content/dates subject to change. More details will be provided in a future notice.*

The City of Toronto and Toronto Transit Commission will be renewing aging TTC streetcar track on Broadview Avenue at the intersections of Dundas Street East and Gerrard Street East. This project also includes replacing the track on Broadview Avenue between Gerrard Street East and Dundas Street East.

**Intersection closures will be required in phases to complete the work efficiently. Broadview and Dundas will be followed by Broadview and Gerrard.** Signs will be posted ahead of the construction zone to direct vehicles, cyclists and pedestrians around the site. Transit routing details are posted on the reverse page.

This work is required to bring the track infrastructure to a state of good repair. This project is part of the Council-approved 2018 Capital Works Program.

### WORK DETAILS:

Phase	Dates / Location	Work	Traffic Restrictions

## WHAT TO EXPECT BEFORE CONSTRUCTION

- Work crews will mark underground utilities, such as gas, water and cable.
- A Construction notice confirming the start date and more details of the work will be delivered to affected properties approximately 1-2 weeks prior to the start of the project.
- Work in the boulevards in front of homes and commercial properties is expected. Further notice will be provided to property owners who must remove items located within City property limits (boulevard).

	<p><b>Work Hours:</b> Most of the work on this project will take place: <b>Monday to Friday: 7:00 am to 11:00pm. Saturday and Sunday: 7:00 am to 7:00 pm.</b> During the work on TTC track work will take place 24/7. When track replacement starts, <b>excavation activities will extend to 11 p.m.</b> Concrete breaking work is the most disruptive and typically lasts the first 4-5 days during intersection projects.</p> <p><b>Other work will take place over night.</b> The overnight rail work by TTC may consist of moving new rail into position, rail installation and rail welding / grinding. In addition, some streetcar overhead wiring work will be performed overnight, as required. Around-the-clock rail installation work by TTC is required to preserve the integrity and quality of new rail and concrete and support the daytime construction.</p>
	<p><b>Detour Information:</b> Motorists are reminded to abide by signs posted in local areas to ensure the safe travel of all local road users, pedestrians and cyclists.</p> <p><b>Phase 1:</b> To detour around the <b>Broadview and Dundas intersection</b>, through traffic will be redirected:</p> <ul style="list-style-type: none"> <li>• East-West traffic will be redirected to use Eastern Avenue to the south and Gerrard Street and Danforth Avenue to the north.</li> <li>• North-South traffic will be redirected to use River or Parliament Streets to the west, and Jones Avenue to the east.</li> <li>• TTC track staff will use the track area on Broadview Avenue between Dundas Street and Queen Street, south of Kintyre Avenue for <b>one week at the start of the project</b> to weld new rail together. The newly welded rail lengths will remain stored on the track area north of Kintyre Avenue until they are installed between Dundas Street and Gerrard Street.</li> </ul> <p><b>Phase 2:</b> Detour and Transit information for the <b>Broadview and Gerrard</b> intersection work will be provided in a future construction notice.</p>
	<p><b>During the intersection closure at Broadview and Dundas;</b></p> <ul style="list-style-type: none"> <li>• <b>505 Dundas buses</b> will operate both ways around the closed intersection via Dundas St, River St, Gerrard St, and Broadview Ave.</li> <li>• <b>504 streetcars</b> will not operate to Broadview Station and will be extended to Queen St and Kingston Rd.</li> <li>• <b>504B buses</b> (a temporary service) will operate from Broadview Station and loop back via Parliament Street, Front Street, Berkeley Street and back to King Street.</li> </ul> <p><b>Visit: <a href="http://ttc.ca">ttc.ca</a> for accurate schedule and routing information.</b></p>

# TORONTO Construction Notice

	<p><b>Cyclists:</b> Cyclists are expected to dismount and walk around the intersection closures or choose an alternate route.</p>
	<p><b>Parking:</b> Parking in the active work zone is not permitted. If your parked vehicle affects the construction work, it will be re-located with no charge to the owner. Please contact parking control for the location of your vehicle at <b>416-808-2222</b>.</p>
	<p><b>Public Parking:</b> Access to public parking lots around the work zone will be maintained.</p>
  	<p><b>Road and Sidewalk Access: Sidewalks along Broadview Ave will remain accessible and pedestrians will be safely detoured around the work area to access local businesses.</b></p> <p><b>Driveway Access:</b> The contractor will notify you of any temporary restrictions to your driveway access. If your property has two entrances, one entrance will be kept open at all times. Access for emergency vehicles will be maintained at all times.</p> <p><b>Laneways:</b> Laneways and driveways that serve businesses in the area will remain accessible for deliveries or service</p> <p><b>Accommodation:</b> Residents who require accommodation must contact the project manager to arrange for access during construction through the contacts below.</p>
	<p><b>Deliveries:</b> Businesses may want to consider adjusting delivery times as a result of the lane restrictions during this project.</p>
	<p><b>East Chinatown Businesses</b> will be open throughout construction. All are welcome to dine and shop.</p>
