

# City of Toronto Population - High Shelter Cost to Income Ratio 2016

**Summary of the Map:**  
 The map shows the number of private households spending more than 30 per cent of household income on shelter costs by Census Tract for the City of Toronto. There is a high concentration of the population for people with high shelter costs in the area along the Gardiner Expressway from Dufferin St to the Don Valley Parkway as well as along Bay St from Queen St W to Bloor St W.
