

# City of Toronto Recent Immigrants - Europe 2016

The map shows the total recent immigration population in private households born in countries in Europe by Census Tract for the City of Toronto. Recent immigrant refers to an immigrant who first obtained his or her landed immigrant or permanent resident status between January 1, 2011 and May 10, 2016. There is a high concentration of immigrants from Europe in the area of Bathurst St and Steeles Ave W along with smaller pockets of concentration.
