

# Encounter Detail Screen

Updated on July 2018

### Home > Client Search > Encounter Detail

#### **Business Purpose:**

This Encounter Detail screen will allow you to view client's personal information and encounter records which includes Health/Cold Assessments and Pets information.

#### How to:

1. Search the client first and then click the encounter record from the Client Detail screen. The Encounter Detail page is displayed.

| Client Detail  |
|--|
| New Encounter  |
| Personal Information                                     |
| Family   |
| Bed/Room   |
| Current Program  |
| History  |
| Encounter  |
| Trent Aagaard 2017/12/11 03:26 PM (Reviews: 4)<br>Closed |
| Trent Aagaard 2017/12/11 03:25 PM (Reviews: 2) Closed    |

2. In the Encounter Detail page, Personal and Encounter information fields are displayed.
